The particulars of the Scheme have been prepared in accordance with the Securities and Exchange Board of India (Mutual Funds) Regulations 2026, (herein after referred to as SEBI (MF) Regulations) as amended till date and circulars issued thereunder filed with SEBI, along with a Due Diligence Certificate from the AMC. The units being offered for public subscription have not been approved or recommended by SEBI nor has SEBI certified the accuracy or adequacy of the Scheme Information Document.

The Scheme Information Document sets forth concisely the information about the scheme that a prospective investor ought to know before investing. Before investing, investors should also ascertain about any further changes to this Scheme Information Document after the date of this Document from the Mutual Fund / Investor Service Centres / Website / Distributors or Brokers.

The investors are advised to refer to the Statement of Additional Information (SAI) for details of Groww Mutual Fund , Standard Risk Factors, Special Considerations, Tax and Legal issues and general information on **https://www.growwmf.in/downloads/sai**

SAI is incorporated by reference (is legally a part of the Scheme Information Document). For a free copy of the current SAI, please contact your nearest Investor Service Centre or log on to our website.

The Scheme Information Document (Section I and II) should be read in conjunction with the SAI and not in isolation.

This Scheme Information Document is dated October 30, 2026.

SECTION I

PART I. HIGHLIGHTS/SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I.	Name of the scheme	Groww Liquid Fund
II.	Category of the Scheme	Liquid Fund
III.	Scheme type	An open ended liquid scheme. A relatively low interest rate risk and moderate credit risk.
IV.	Scheme code	INDB/O/D/LIF/11/10/0001
V.	Investment objective	To provide a high level of liquidity with returns commensurate with low risk through a portfolio of money market & debt securities with maturity of upto 91days. However, there can be no assurance that the investment objective of the scheme will be achieved.
VI.	Liquidity Listing details	The Scheme will offer units for purchases/switch-ins and redemptions/switch-outs at NAV based prices on all business days on an ongoing basis. Repurchase of Units will be at the NAV prevailing on the date the units are tendered for repurchase. As per SEBI (MF) Regulations, the Mutual Fund shall dispatch redemption proceeds within 3 working Days of receiving a valid redemption request. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time, will be paid in case the redemption proceeds are not made within 3 working Days from the date of receipt of a valid redemption request. The Scheme being open ended, the units are not proposed to be listed on any stock exchange and no transfer facility on the exchange is provided. However, the Fund reserves the right to list the units as and when open-end Schemes are permitted to be listed under the SEBI (MF) Regulations, and if the Trustee considers it necessary in the interest of unit holders of the Scheme.
VII.	Benchmark (Total Return Index)	As per AMFI Tier I benchmark CRISIL Liquid Debt A-I Index The Scheme intends to invest in a portfolio of instruments which is best captured by CRISIL Liquid Debt A-I Index. CRISIL Liquid Debt A-I Index is a realistic estimate to track the returns of a Liquid Fund at a particular return and risk level and hence is used as a benchmark by most market participants. The AMC in consultation with Trustees may change the benchmark for the evaluation of the performance of the Scheme from time to time, keeping in mind the investment objective of the Scheme and the appropriateness of the benchmark, subject to the Regulations and other prevalent guidelines.
VIII.	NAV disclosure	The AMC will calculate the NAVs for each calendar Day. The Asset Management Company ("AMC") shall update the NAVs on the Association of Mutual Funds in India ("AMFI") website (www.amfiindia.com) before 11.00 p.m. every Business Day. The NAV will also be available on AMC website (https://www.growwmf.in/nav). Further Details in Section II.

IX.	Applicable timelines	Timelines for - **Dispatch of redemption proceeds-** Dispatch of redemption proceeds shall be completed within a period of 03 working days from the date of receipt of redemption request. Further, in exceptional situations additional timelines in line with AMFI letter no. AMFI/35P/MEM -COR/74/2022-23 dated January 16, 2023 will be applicable for transfer of redemption or repurchase proceeds to the unitholders. **Dispatch of IDCW** IDCW warrants shall be dispatched to the unitholders within 07 working days from the record date.
X.	Plans and ptions Plans/Options and sub options under the Scheme	The Scheme offers following two plans for investment into the Scheme: **A. Direct Plan:** This Plan is suitable for investors who wish to invest directly in the scheme without routing their investment through any distributor. The Direct Plan shall have lower expense ratio compared to the Regular Plan and no commission shall be paid out of the Direct Plan. **B. Regular Plan:** This Plan is suitable for investors who wish to invest in the Scheme through any distributor. This Plan shall have higher expense ratio compared to the Direct Plan and distributor commission may be paid out of this Plan. The Direct Plan and Regular Plan shall have separate NAVs. However, there will be a common portfolio for both plans. The various options available under the Direct Plan and Regular Plan and the salient features common to both plans are given below. **Options:** The Scheme has the following Options across a common portfolio: Growth Option: This option is suitable for investors who are not looking for current income but who invest only with the intention of capital appreciation. However, there can be no assurance of the capital appreciation. IDCW Option: This option is suitable for investors seeking income through IDCW declared by the Scheme. Under this Option, the Scheme will endeavour to declare IDCWs from time to time. The IDCW shall be dependent on the availability of distributable surplus. The IDCW Option has the following Facilities: •Groww Liquid Fund- Direct Plan- IDCW Option (Reinvestment) •Groww Liquid Fund - Direct Plan- Weekly IDCW Option (Payout & Reinvestment) •Groww Liquid Fund - Direct Plan- Fortnightly IDCW Option (Payout & Reinvestment) •Groww Liquid Fund - Direct Plan- Monthly IDCW Option (Payout & Reinvestment) • Groww Liquid Fund - Regular Plan- - IDCW Option (Reinvestment) •Groww Liquid Fund - Regular Plan- Weekly - Weekly IDCW Option (Payout & Reinvestment) •Groww Liquid Fund - Regular Plan- Fortnightly IDCW Option (Payout & Reinvestment) •Groww Liquid Fund - Regular Plan- Monthly IDCW Option (Payout & Reinvestment) In cases where the investor fails to opt for a particular Option at the time of investment, the default Option will be Growth. If the investor chooses IDCW Option and fails to

mention facility / frequency then the default facility will be Reinvestment and the default frequency will be monthly.

If IDCW payable under IDCW Payout option is equal to or less than Rs. 250/- then the IDCW would be compulsorily reinvested in the option of the Scheme.

The frequencies of IDCW payment and the respective Record Dates under the different Facilities are as follows:

Frequency	**Date/Days**	**Record date**	**Ex-date**	**Exceptions in case of Holiday**
Weekly	Every Monday	Same	Same	Any of the date falls on holiday, next business date to be considered
Fortnightly	10th & 25th of the Month	10th & 25th of the Month	Record Date + 1 day	
Monthly	25th of the Month	25th of the Month	Record Date + 1 day	

For detailed disclosure on default plans and options, kindly refer SAI.

XI. Load Structure

Exit Load :

Investor exit upon subscription*	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7
Exit Load as a % of redemption proceeds	0.0070%	0.0065%	0.0060%	0.0055%	0.0050%	0.0045%	0.0000%

The date of applicable NAV towards redemption units shall be considered for calculating the number of subscription days

XII. Minimum Application Amount/switch in

During NFO: The Scheme has already been launched

<u>On a continuous basis:</u>
Rs. 500 and in multiples of Re. 1/- thereafter

Minimum balance to be maintained and consequences of non maintenance:
The minimum balance to be maintained by the investor in the Scheme will be Rs. 5,000. If in the event of a redemption, the outstanding balance falls below the minimum balance required, the AMC reserves the right to redeem the balance amount/units outstanding.

XIII. Minimum Additional Purchase Amount

Rs. 500 and in multiples of Re. 1 thereafter.

XIV.	Minimum Redemption/switch out amount	Minimum Redemption/switch out amount - The minimum redemption amount for all plans will be Rs.500/- and in multiples of Re.1/-
XV.	New Fund Offer Period	The Scheme has already been launched.
XVI.	New Fund Offer Price:	The Scheme has already been launched
XVII.	Segregated portfolio/side pocketing disclosure	The AMC may create segregated portfolio of debt and money market instruments in a mutual fund scheme in case of a credit event / actual default and to deal with liquidity risk. The AMC has the Policy on creation of Segregated Portfolio. Kindly refer to SAI for more details.
XVIII	Swing pricing disclosure	In terms of paragraph 5.8 of the Master Circular for Mutual Funds dated March 20,2026, all open ended debt mutual fund schemes (except overnight funds, Gilt funds and Gilt with 10-year maturity funds) are required to follow Swing Pricing Framework. SEBI has prescribed swing pricing for scenarios related to net outflows from the schemes. Accordingly, a mandatory full swing price framework, during market dislocation times (as and when declared by SEBI), for high-risk open ended debt schemes is being introduced in scheme provisions of all Debt Schemes of the Fund except Overnight Fund. **Triggering Swing Pricing on re-opening of a Scheme after announcement of winding up:** In cases of instances where the AMC reverses its decision of winding up a Scheme, the provisions of swing pricing would be triggered upon reopening of the Scheme for subscription and redemptions. Kindly refer to SAI for more details.
XIX.	Stock lending/short selling	The Scheme shall invest in stock lending/short selling as per the Asset Allocation. For Details, kindly refer SAI
XX.	How to Apply & Other details	Investors may obtain Key Information Memorandum (KIM) along with the application forms from the AMC offices or Customer Service Centers of the Registrar or may be downloaded from https://www.growwmf.in/downloads/kim (AMC's website). Please refer to the SAI and Application Form for the instructions. An Application Form accompanied by a payment instrument issued from a bank account other than that of the Applicant / Investor will not be accepted except in certain circumstances. For further details, please refer paragraph —Non – acceptance of Third Party Payment Instruments for subscriptions / investments under the section —How to Apply in SAI. **Bank Details:** In order to protect the interest of Unit holders from fraudulent encashment of redemption / IDCW cheques, SEBI has made it mandatory for investors to provide their bank details viz. name of bank, branch, address, account type and number, etc. to the Mutual Fund. Applications without complete bank details shall be rejected. The AMC will not be responsible for any loss arising out of fraudulent encashment of cheques / warrants and /

		or any delay / loss in transit. Also, please refer to point on Registration of Multiple Bank Accounts in respect of an Investor Folio given elsewhere in this document. **Where can applications for subscription/redemption/ switches be submitted:** Investors can submit the application forms for purchase or redemption or switch at any of the Official Points of Acceptance, details of which are mentioned on the back cover page of this document. Refer to details in Section II
XXII.	Investor services	Investors can enquire about NAVs, Unit Holdings, Valuation, IDCWs, etc. or lodge any service request at the investor support number of AMC *8050180222*. Investors can also address their queries to the below details: Investor Support Number – 8050180222 Investor Support Email Id – support@growwmf.in Incase investor's query is not resolved satisfactorily, then he/she can address the query to the Investor Relations Officer: Mr. Nitin Mehta (Investor Relations Officer) Corporate Office - 505 – 5th Floor, Tower 2B, One World Centre, Near Prabhadevi Railway Station, Lower Parel, Mumbai – 400013, Maharashtra, Tele- +91 22 69744435 Email: iro@growwmf.in In order to protect confidentiality of information, the service representatives at the AMC's branches/ KFin Technologies Limited ISCs may require personal information of the investor for verification of his identity. The AMC will at all times endeavor to handle transactions efficiently and to resolve any investor grievances promptly. Investor grievances should be addressed to the ISC of the AMC, or at KFin Technologies Limited's ISC directly. All grievances received at the ISC of the AMC will then be forwarded to KFin Technologies Limited, if required, for necessary action. The complaints will closely be followed up with KFin Technologies Limited by the AMC to ensure timely redressal and prompt investor service. **KFin Technologies Ltd.** Selenium,Tower B, Plot number 31 & 32, Financial District, Nanakramguda, Serilingampally Mandal, Hyderabad- 500032. The investors are further requested to take note that, pursuant to SEBI Circular no. SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/145 dated July 31, 2023, read along with circular dated August 04, 2023, a common Online Dispute Resolution Portal ("ODR Portal") has been introduced to provide investors / unit holders with a mechanism to redress their grievances. The ODR Portal allows investors / unitholders with additional mechanism to resolve the grievances through online conciliation and online arbitration. The link to access ODR Portal is https://smartodr.in/login

XXIII	Specific attribute of the scheme (such as lock in, duration in case of target maturity scheme/close ended schemes)	An open ended liquid scheme, hence not applicable.
XXIV	Special product/facility available during the NFO and on ongoing basis	The Special Products / Facilities available under the Scheme, are: i. Systematic Investment Plan [SIP] ii. Systematic Transfer Plan [STP] iii. Systematic Withdrawal Plan [SWP] iv. IDCW Sweep Facility v. Transactions by Email vi. Transactions through Electronic Mode vii. K-finkart ' for transaction in the units of Groww Mutual Fund towards additional purchase, redemption or switch viii. Transactions through Stock Exchange Platform for Mutual Funds ix. Registration of Multiple Bank Accounts in respect of an Investor Folio x. Transactions Through MF Utility xi. MFCentral as Official Point of Acceptance of Transactions (OPAT) **Systematic Investment Plan (SIP):** This facility enables investors to save and invest periodically over a longer period of time. It is a convenient way to "invest as you earn" and affords the investor an opportunity to enter the market regularly, thus averaging the acquisition cost of Units. **SIP Frequency:** **SIP Installments and Amount –** Daily – Rs. 100 and in multiples of Re.1 thereafter Weekly – Rs. 100 and in multiples of Re.1 thereafter Monthly – Rs. 500 and in multiples of Re.1 thereafter Quarterly - Rs. 500 and in multiples of Re.1 thereafter The conditions for investing in SIP will be as follows: **Minimum No. of SIP instalments**: Minimum number of installments for each frequency are - Daily – 180 instalments Weekly – 24 instalments Monthly - 12 instalments Quarterly – 4 instalments **Frequency / Date**: Daily - Every business day Weekly - 1, 8, 15 & 22

		Monthly - Any day between 1st and 28th of the month Quarterly - Any day between 1st and 28th of the quarter (In case any of these days fall on a non-business day, the transaction will be effected on the next business day of the Scheme). **Registration period:** There must be at least 30 days between the first SIP cheque and subsequent due date of Auto Debit [NACH clearing]; In case of the auto debit facility, the default options (where auto debit period, frequency and SIP date are not indicated) will be as follows: • SIP auto debit period: The SIP auto debit will continue till 5 years. • SIP date: 15th of the month (commencing 30 days after the first SIP instalment date); and • SIP frequency: Monthly The load structure prevailing at the time of submission of the SIP application [whether fresh or extension] will apply for all the instalments indicated in such application; All the cheques/ payment instructions [including the first cheque/payment instruction] shall be of equal amounts in case of SIP applications; Investors may also choose to invest any lump sum amount along with the first SIP instalment by way of a single cheque/ payment instruction. Investors will have the right to discontinue the SIP facility at any time by sending a written request to any of the Official Point(s) of Acceptance. Notice of such discontinuance should be received at least 30 days prior to the due date of the next debit. On receipt of such request, the SIP facility will be terminated. It is clarified that if the Fund fails to get the proceeds for three consecutive Instalments out of a continuous series of Instalments submitted at the time of initiating a SIP), the AMC reserves the right to discontinue the SIP. **Systematic Transfer Plan (STP)** This facility enables unitholders to transfer a fixed specified amount from one open-ended scheme of the Fund (source scheme) to another open-ended scheme of the Fund (target scheme), in existence at the time of availing the facility of STP, at applicable NAV, subject to the minimum investment criteria of the target scheme. Investors can opt for the Systematic Transfer Plan by investing a lump sum amount in one scheme of the fund and providing a standing instruction to transfer sums at regular intervals. Investors could also opt for STP from an existing account by quoting their account / folio number. However, units marked under lien or pledged in the source scheme shall not be eligible for STP. The conditions for investing in STP will be as follows: STP Frequency : Daily, Weekly, Monthly and Quarterly; Minimum STP instalment amount: Rs. 500/- per instalment and in multiples of Re.1/- thereafter for Daily/ Weekly/ Monthly/ Quarterly; Minimum No. of STP instalments Daily - 6 instalments Weekly - 6 instalments Monthly - 6instalments Quarterly - 6instalments **STP Dates:** Daily – Every business day Weekly option - Any day from Monday to Friday Monthly/ Quarterly option – 2nd, 8th, 15th or 23rd of the month/ of any month in the quarter Registration period: A minimum period of 7 calendar days shall be required for registration under STP.

		• If no day is selected, the default day will be Friday. • If the STP date falls on a holiday, the transaction will be processed on the next working day. The default options (where the period, frequency and STP date are not indicated) will be as follows: • STP period: 12 instalments. • STP date: 15th of every month; and • STP frequency: Monthly Unitholder may change the amount (but not below the minimum specified amount) / frequency by giving written notice to any of the Official Point(s) of Acceptance at least 8 business days prior to next STP execution date. Units will be allotted/ redeemed at the applicable NAV of the respective dates of the Scheme on which such investments/withdrawals are sought from the Scheme. The STP may be terminated on a written notice of 8 business days by a unitholder of the Scheme. The STP will be automatically terminated if all units are liquidated or withdrawn from the source scheme or pledged or upon receipt of intimation of death of the unitholder. No minimum balance is required in the Transferee scheme for registration of STP **Systematic Withdrawal Plan (SWP)** This facility enables unitholders to withdraw a fixed sum (subject to tax deduction at source, if applicable) by redemption of units in the unitholder's account at regular intervals through a one-time request. The conditions for investing in SWP will be as follows: SWP Frequency : Monthly; Quarterly Minimum SWP instalment amount: Monthly: Rs. 500/- and in multiples of Re.1/- thereafter; Quarterly – Rs.500/- and in multiples of Re.1 thereafter Minimum No. of SWP instalments: Monthly - 12 instalments Quarterly – 4 installments SWP Dates: 15th of every month as the STP date (in case any of these days fall on a non-business day, the transaction will be effected on the next business day of the Scheme). Registration period: A minimum period of 7 calendar days shall be required for registration under SWP. The default options (where the period, frequency and SWP date are not indicated) will be as follows: • SWP period: The SWP will continue till 5 years. • SWP frequency : Monthly • SWP date: 15th of every month. If 15th is a holiday, the SWP will be processed on the next business day. Unit holder may change the amount (but not below the minimum specified amount) / frequency by giving written notice to any of the Official Point(s) of Acceptance at least 8 calendar days prior to next SWP execution date. The SWP may be terminated on a written notice of 8 calendar days by a unitholder of the Scheme. SWP will be automatically terminated if all units are liquidated or withdrawn from the Scheme or pledged or upon receipt of intimation of death of the unitholder. No minimum balance is required in the Transferee scheme for registration of SWP.

		IDCW Sweep Facility IDCW Sweep facility shall be in addition to the existing IDCW Payout and IDCW Reinvestment Option. Default IDCW Option shall be IDCW Payout. Under IDCW Sweep Facility, Unit holders can opt for switching the IDCW earned under any Schemes (Source Scheme) of Groww Mutual Fund into any other Schemes (Target Scheme) of Groww Mutual Fund. The IDCW (net of applicable DDT, if any) shall be swept subject to minimum investment eligibility requirements of the Target Scheme at applicable NAV based prices. The minimum amount for sweep out to be Rs. 500/-. In case the sweep amount is less than Rs. 500/-, the IDCW amount shall be reinvested in the Source scheme. This facility shall be processed on the record date of the IDCW declared under the Source Scheme. Further, this facility shall not allow for switch of partial IDCW or switch of IDCW to multiple schemes. In case the investor fails to specify his preference of Option for the Target scheme into which the IDCW has to be swept, Sweep-in amount shall be invested in default plan / option as mentioned in Scheme Information Document (SID) of Target scheme. Sweep-in amount shall be invested in default plan / option as mentioned in Scheme Information Document (SID) of Target scheme. The AMC reserves the right to introduce STP/SWP/ IDCW Sweep Facility at any other frequencies or on any other dates as the AMC may feel appropriate from time **Transactions by Email:** In order to facilitate quick processing of transaction and / or instruction of investment of investor the Mutual Fund / AMC / Trustee may (at its sole discretion and without being obliged in any manner to do so and without being responsible and /or liable in any manner whatsoever), accept and process any application, supporting documents and /or instructions submitted by an investor/ Unit holder by email at growwmf.inv@groww.in and the investor/Unit holder voluntarily and with full knowledge takes and assumes any and all risk associated therewith. The Mutual Fund / AMC/ Trustee shall have no obligation to check or verify the authenticity or accuracy of email purporting to have been sent by the investor and may act thereon as if the same has been duly given by the investor. In all cases the investor will have to immediately submit the original documents / instruction to AMC/ Mutual Fund/ Official Points of Acceptance unless indemnified by the investor. **Transactions through Electronic Mode:** The Mutual Fund may (at its sole discretion and without being obliged in any manner to do so and without being responsible and /or liable in any manner whatsoever), allow transactions in Units by electronic mode (web/ electronic transactions) including transactions through the various web sites with which the AMC would have an arrangement from time to time. Subject to the investor fulfilling certain terms and conditions as stipulated by AMC from time to time, the AMC, Mutual Fund, Registrar or any other agent or representative of the AMC, Mutual Fund, the Registrar may accept transactions through any electronic mode including web transactions and as permitted by SEBI or other regulatory authorities from time to time. **'K-finkart' for transaction in the units of Groww Mutual Fund towards additional purchase, redemption or switch:**

		Investor may take note of additional facility for transaction in Groww Mutual Fund through Kfinkart; mobile application provided by KFin Technologies Ltd Investors may execute additional purchase, redemption or switch transaction through Kfinkart mobile application. **Transactions through Stock Exchange Platform for Mutual Funds** - Mutual Fund Distributor registered with Association of Mutual Funds in India (AMFI) and who has been permitted by the concerned recognised stock exchange will be eligible to use NMF-II platform of National Stock Exchange of India Ltd. ('NSE') and/or of BSE Star MF platform of Bombay Stock Exchange ('BSE') to purchase and redeem units of schemes of the Fund directly from Groww Mutual Fund in physical (non-demat) mode and/or demat (electronic) mode. - MF distributors shall not handle pay out/pay in of funds as well as units on behalf of investor. Pay in will be directly received by recognized clearing corporation and payout will be directly made to investor's account. In the same manner, units shall be credited and debited directly from the demat account of investors. - Non-demat transactions are also permitted through stock exchange platform. - The facility of transacting in mutual fund schemes through stock exchange infrastructure is available subject to such operating guidelines, terms and conditions as may be prescribed by the respective Stock Exchanges from time to time. **Registration of Multiple Bank Accounts in respect of an Investor Folio:** An Investor can register with the Fund upto 5 bank accounts in case of individuals and HUFs and upto 10 in other cases. Registering of Multiple Bank Accounts will enable the Fund to systematically validate the pay-in of funds and avoid acceptance of third party payments. For the purpose of registration of bank account(s), Investor should submit Bank Mandate Registration Form (available at the CSCs/ AMC Website) together with any of the following documents: □ Cancelled original cheque leaf in respect of bank account to be registered where the account number and names of the account holders are printed on the face of the cheque; or □ Bank statement or copy of Bank Pass Book page with the Investor's Bank Account number, name and address. The above documents will also be required for change in bank account mandate submitted by the Investor. The AMC will register the Bank Account only after verifying that the sole/ first joint holder is the holder / one of the joint holders of the bank account. In case if a copy of the above documents is submitted, Investor shall submit the original to the AMC/ Service Centre for verification and the same shall be returned. In case of Multiple Registered Bank Account, Investor may choose one of the registered bank accounts for the credit of redemption/ IDCW proceeds (being —Pay-out bank account). Investor may however, specify any other registered bank accounts for credit of redemption proceeds at the time of requesting for the redemption. Investor may change such Pay-out Bank account, as necessary, through written instructions.

		However, if request for redemption is received together with a change of bank account (unregistered new bank account) or before verification and validation of new bank account, the redemption request would be processed to the currently registered default old bank account. For further details please refer to paragraph on Registration of Multiple Bank Accounts, Change of Bank Mandate and Change of Address in respect of an Investor Folio in the SAI. **Transactions Through MF Utility ("MFU"):** The AMC has entered into an Agreement with MF Utilities India Private Limited ("MFUI"), a "Category II - Registrar to an Issue" under SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, for usage of MF Utility ("MFU") a "Shared Services" initiative formed by the Asset Management Companies of SEBI registered Mutual Funds under the aegis of Association of Mutual Funds in India (AMFI). MFU acts as a transaction aggregation portal for enabling transaction in multiple Schemes of various Mutual Funds with a single form and a single payment instrument. Both financial and non-financial transactions pertaining to Scheme(s) of Groww Mutual Fund ('the Fund') can be done through MFU at the authorized Points of Service ("POS") of MFUI. The details of POS with effect from the respective dates published on MFU website at www.mfuindia.com will be considered as Official Point of Acceptance (OPA) for transactions in the Scheme(s) of the Fund. Additionally, such transactions can also be carried out electronically on the online transaction portal of MFU at www.mfuonline.com as and when such a facility is made available by MFUI and that the same will be considered OPA for transactions in the Scheme(s) of the Fund. The transactions carried out through MFU shall be subject to the terms & conditions as may be stipulated by MFUI / Fund / the AMC from time to time. The terms & conditions of offering of the Scheme(s) of the Fund as specified in the Scheme Information Document (SID), Key Information Memorandum ('KIM') and Statement of Additional Information ('SAI') shall be applicable to transactions through MFU. **MFCentral as Official Point of Acceptance of Transactions (OPAT):** Pursuant to SEBI Master Circular for Mutual Funds, with respect to complying with the requirements of RTA inter-operable Platform for enhancing investors' experience in Mutual Fund transactions / service requests, the QRTA's, Kfin Technologies Limited and Computer Age Management Services Limited (CAMS) have jointly developed MFCentral, a digital platform for Mutual Fund investors. MFCentral is created with an intent to be a one stop portal / mobile app for all Mutual fund investments and service-related needs that significantly reduces the need for submission of physical documents by enabling various digital / physical services to Mutual fund investors across fund houses subject to applicable T&Cs of the Platform. MFCentral will be enabling various features and services in a phased manner. MFCentral may be accessed using https://mfcentral.com/ and a Mobile App in future. With a view to comply with all provisions of the aforesaid circular and to increase digital penetration of Mutual funds, Groww Mutual Fund designates MFCentral as its OPAT

		Any registered user of MFCentral, requiring submission of physical document as per the requirements of MFCentral, may do so at any of the designated Investor Service Centres/ Collection Centres of KFin Technologies Limited or CAMS. **INSTANT ACCESS FACILITY ("IAF")** The IAF facilitates credit of redemption proceeds into the bank account of the investor instantly through Immediate Payment Service (IMPS) at any time or day of the week. The IAF shall be available in Groww Liquid Fund under the Growth Option of Regular and Direct Plan. The IAF shall be available only to the resident individual investors fulfilling of the criteria that complete CBS (Core Banking System) account number is registered in the folio along with IFSC code and investor's bank is Immediate payment service (IMPS) enabled. **Terms and Conditions -** 1. The maximum daily limit (i.e. the monetary limit) under the IAF shall be Rs.50,000/- or 90% of latest value of investment in the Scheme, whichever is lower. 2. This limit shall get reset at 12.00 A.M. every day. This limit for the Scheme shall be applicable per day per investor at PAN level (First holder PAN level in case of joint holding). At any point in time, investor can redeem 90% of the Current Value of available Units or Rs.50,000/-, whichever is lower. 3. Current Value of available Units shall be value of available units as per the latest declared NAV (Number of available Units X Latest declared NAV). 4. Available units are unencumbered units (i.e. the units which are not under pledge/lien or locked/frozen pursuant to an order of a governmental authority or a court or otherwise) and/or units not under lock-in in the folio of the Scheme at PAN level for which the investor can place a IAF request at any point of time and after considering any transaction/s pending for unit adjustments. 5. The decision of the AMC in determining the Redeemable Balance shall be final. The AMC reserves the right to modify the margin limit stated above, at any time, as specified by SEBI or at its discretion without giving any prior notice. 6. The AMC shall offer IAF only after obtaining approvals from the AMC Board and the Trustees and keep in place adequate safeguards in the system to implement this facility For further details of above special products / facilities, For Details, kindly refer SAI.

DUE DILIGENCE BY THE ASSET MANAGEMENT COMPANY

It is confirmed that:

(i) The Scheme Information Document submitted to SEBI is in accordance with the SEBI (Mutual Funds) Regulations, 2026 and the guidelines and directives issued by SEBI from time to time.

(ii) All legal requirements connected with the launching of the Scheme as also the guidelines, instructions, etc., issued by the Government and any other competent authority in this behalf, have been duly complied with.

(iii) The disclosures made in the Scheme Information Document are true, fair and adequate to enable the investors to make a well informed decision regarding investment in the Scheme.

(iv) The intermediaries named in the Scheme Information Document and Statement of Additional Information are registered with SEBI and their registration is valid, as on date.

(v) The contents of the Scheme Information Document including figures, data, yields etc. have been checked and are factually correct

(vi) The AMC has complied with the compliance checklist applicable for Scheme Information Documents and other than cited deviations/ that there are no deviations from the regulations

(vii) Notwithstanding anything contained in this Scheme Information Document, the provisions of the SEBI (Mutual Funds) Regulations, 2026 and the guidelines there under shall be applicable.

(viii) The Trustees have ensured that the Groww Liquid Fund approved by them is a new product offered by Groww Mutual Fund and is not a minor modification of any existing scheme/fund/product

PART II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances, the asset allocation will be as follows:

Instrument	Indicative Allocation (% of Net Assets)	
	Minimum	**Maximum**
Money market & Debt instruments with maturity up to 91 days (including floating rate debt instruments, securitized debt*)	0	100

*securitized debt cumulative allocation not to exceed 15% of the net assets of the Scheme (No investment in foreign securitized debt). The residual maturity of securitized debt shall not exceed 91 days.

Investment in Derivatives – upto 50% of the net assets of the Scheme. Investment in derivatives shall be strictly in compliance with SEBI Master Circular.

The Fund shall not take any leveraged position. The total investments in the Fund including investment in debt, money market and other securities and gross exposure of derivatives, if any, shall not exceed 100% of the net assets under management in the scheme.

Pursuant to paragraph 13.2 of SEBI Master Circular for Mutual Fund dated March 20,2026, the Scheme shall make investment in / purchase debt and money market securities with maturity of up to 91 days only.

Explanation:

a. In case of securities where the principal is to be repaid in a single payout, the maturity of the securities shall mean residual maturity. In case the principal is to be repaid in more than one payout then the maturity of the securities shall be calculated on the basis of weighted average maturity of the security.

b. In case of securities with put and call options (daily or otherwise) the residual maturity of the securities shall not be greater than 91 days.

c. In case the maturity of the security falls on a Non-business Day, then settlement of securities will take place on the next Business Day. The total debt derivative exposure will be restricted to 50% of the net assets of the Scheme. The Scheme shall not invest in equity derivatives. Investment in derivatives shall be in compliance with paragraph 13.15 of SEBI Master for Mutual Fund Circular.

The scheme shall not be investing in foreign securities and also the scheme shall not be engaging in any short-selling. If permitted by SEBI under Regulations / guidelines, the Scheme may also engage in securities lending. The AMC shall comply with all reporting requirements and the Trustee shall carry out periodic review as required by SEBI guidelines. Securities lending means the lending of stock to another person or entity for a fixed period of time, at a negotiated compensation. The securities lent will be returned by the Borrower on expiry of the stipulated period.

The Investment Manager will apply the following limits, should it desire to engage in Securities lending:

Not more than 20% of the net assets of the Scheme can generally be deployed in securities lending; and Not more than 5% of the net assets of the Scheme can generally be deployed in securities lending to any single counter party.

The Scheme may invest in repo/ reverse repo in corporate debt securities/Government Debt Securities up to 10% of the net assets of the Scheme.

Subject to limits prescribed by SEBI, the maturity profile of the Scheme can undergo a change in case the market conditions warrant and at the discretion of the fund manager.

The Scheme may review the above pattern of investments based on views on interest rates and asset liability management needs. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme. Subject to the Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations, legislative amendments and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute. These proportions can vary substantially depending upon the perception of the fund manager; the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be for short term and for defensive considerations only. The rebalancing of the portfolio in accordance with the asset allocation pattern indicated above shall be done within a period of 15 days.

The cumulative gross exposure through equity, debt, derivative positions (including fixed income derivatives), repo transactions in corporate debt securities, other permitted securities/assets and such other securities/assets as may be permitted by the Board from time to time shall not exceed 100% of the net assets of the scheme.

Indicative Table (Actual instrument/percentages may vary subject to applicable SEBI circulars)

Sl. no	**Type of Instrument**	**Percentage of exposure**	**Circular references***
1.	Securities Lending	• Not more than 20% of the net assets of the Scheme can generally be deployed in securities lending; and • Not more than 5% of the net assets of the Scheme can generally be deployed in securities lending to any single counter party.	Paragraph 13.6 of the Master Circular for Mutual Funds dated March 20,2026
2.	Debt Derivatives (Hedging and Non-hedging)	Upto 50% of the net assets of the scheme	Paragraph 8.5 and 13.15 of SEBI Master Circular for Mutual Funds dated March 20,2026

3.	Securitized Debt	15%	Paragraph 13.1 of the Master Circular for Mutual Funds dated March 20,2026
4.	Any other instrument Repo/ reverse repo in corporate debt securities/Government Debt Securities	upto 10% of the net assets of the scheme.	Paragraph 13.8 of the Master Circular for Mutual Funds dated March 20,2026
5.	Triparty Repo (TREPS) on Government securities or treasury bills and any other instruments as specified by the SEBI	Upto 100% of net assets of the scheme	As per Asset Allocation table

The Scheme shall not invest/participate/engage in:

Sr.No.	**Type of Instrument**
1	Equity & Equity Derivatives for non-hedging purposes
2	Units issued by InvITs
3	AT1 and AT2 Bonds
4	Overseas Securities
5	Short Term Deposits of Scheduled Commercial Banks
6	Debt Securities having Structured Obligations (SO rating) and/or Credit Enhancements(CE rating)

Short Term Defensive Considerations:
Subject to SEBI (MF) Regulations, the asset allocation indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the Fund Manager, the intention being at all times to seek to protect the interests of the investors. As per clause 1.9.1.(b)of SEBI Master Circular for Mutual Funds dated March 20, 2026, as may be amended from time to time, such changes in the investment pattern will be for short term and for defensive consideration only. In the event of change in the asset allocation, the Fund Managerwill carry out portfolio rebalancing within 30 calendar days from the date of such deviation or such other timeline as may be prescribed by SEBI from time to time.

Portfolio Rebalancingdue to passive breaches:
In the event of any deviations from the mandated asset allocation as mentioned above due to passive breaches, portfolio rebalancing will be carried out by the AMC/Fund Manager within 30 business days of the date of the said deviation. This rebalancing will be subject to prevailing market conditions and in the interest of the investors. In case the portfolio of the Scheme is not rebalanced within the period of 30 business days, justification in writing, includingdetails of efforts taken to rebalance the portfolio shall be placed before the Investment Committee of the AMC. The Investment Committee, if it so desires, can extend the timeline for rebalancing up to 60 business days from the date of completion of mandated rebalancing period. Further, in case the portfolio is not rebalanced within the aforementioned mandated plus extended timelines the AMC shall comply with the prescribed restrictions, the

reporting and disclosure requirements as specified in para 3.11.3 and 3.11.4of SEBI Master Circular on Mutual Funds dated March 20, 2026

B. WHERE WILL THE SCHEME INVEST?

The corpus of the Scheme will be invested in money market & debt instruments with maturity up to 91 days which will include but not limited to:

- TREPS (Triparty repo dealing System)
- Certificate of Deposit (CD)
- Commercial Paper (CP)
- Reverse Repo
- Treasury Bill (T-Bill) Securities created and issued by the Central and State Governments
- Non Convertible Debentures and Bonds
- Floating Rate Debt instruments
- Pass Through Certificate (PTC)
- Securitized Assets
- Investment **in CDMDF**

C. WHAT ARE THE INVESTMENT STRATEGIES?

The Fund shall be managed according to the Investment strategy. The Objective isto generate returns commensurate with the low risk of the portfolio. This scheme is positioned to meet the needs of those investors who want to deploy their funds for a short period of time with the least amount of risk. The returns would match the levels of risk taken in the portfolio.

The composition of the Indian Debt market (both the primary and secondary) is dominated by money market instruments in the short end of the yield curve and by medium and long term bonds and debentures in the long end of the curve. Since the objective of the scheme is generate reasonable returns with the least commensurate risk, the scheme would predominantly invest in money market instruments. As the turnover of the portfolio would be high, given the fact the investors in a liquid fund would deploy their funds for a short period of time, the portfolio would be structured to incorporate high liquidity by the use of cash and cash equivalents.

The yield curve in the short end (overnight to 3 months) of the curve tends to remain flat with the least amount of volatility. In such a scenario, the fund manager would make attempts to invest the scheme proceeds uniformly across all the maturity buckets. The investment team would carry out rigorous in depth credit evaluation of the money market and debt instruments the scheme proposes to invest in. The credit evaluation will essentially be a bottom up approach and include a study of the operating environment of the issuer, the past track record as well as the future prospects of the issuer and the short term / long term financial health of the issuer.

Derivatives Strategy:
The Scheme may use Derivative instruments like interest rate swaps like Overnight Indexed Swaps (“OIS”), forward rate agreements, interest rate futures (as and when permitted) or such other Derivative instruments as may be permitted under the applicable regulations. Investments in Derivatives shall strictly be in compliance with the SEBI circular. Derivatives will be used for the purpose of hedging, and portfolio balancing or such other purpose as may be permitted under the regulations and Guidelines from time to time.

The Fund will be allowed to take exposure in interest rate swaps only on a non-leveraged basis. A swap will be undertaken only if there is an underlying asset in the portfolio. In terms of Circular No. MFD.BC.191/07.01.279/1999-2000 andMPD.BC.187/07.01.279/1999-2000 dated November 1, 1999 and July 7, 1999 respectively issued by RBI permitting participation by Mutual Funds in interest rate swaps and forward rate

agreements, the Fund will use Derivative instruments for the purpose of hedging and portfolio balancing. In case of Interest Rate Swaps, the exposure to a single counter-party shall not exceed 10% of the net assets of the scheme.

The Fund may also use derivatives for such purposes as may be permitted from time to time. Further, the guidelines issued by RBI from time to time for forward rate agreements and interest rate swaps and other derivative products would be adhered to by the Mutual Fund.

IRS and FRA do also have inherent credit and settlement risks. However, these risks are substantially reduced as they are limited to the interest streams and not the notional principal amounts.
Investments in Derivatives will be in accordance with the extant Regulations / guidelines. Presently Derivatives shall be used for hedging and / or portfolio balancing purposes, as permitted under the Regulations. The circumstances under which such transactions would be entered into would be when, for example using the IRS route it is possible to generate better returns / meet the objective of the Scheme at a lower cost. e.g., if buying a 2 Yr Mibor based instrument and receiving the 2 Yr swap rate yields better return than the 2 Yr AAA corporate, the Scheme would endeavor to do that. Alternatively, the Scheme would also look to hedge existing fixed rate positions if the view on interest rates is that it would likely rise in the future.

The following information provides a basic idea as to the nature of the Derivative instruments proposed to be used by the Fund and the benefits and risks attached therewith. Please note that the examples have been given for illustration purposes only.

Using Overnight Indexed Swaps
In a rising interest rate scenario, the Scheme may enhance returns for the Investor by hedging the risk on its fixed interest paying assets by entering into an OIS contract where the Scheme agrees to pay a fixed interest rate on a specified notional amount, for a predetermined tenor and receives floating interest rate payments on the same notional amount. The fixed returns from the Scheme assets and the fixed interest payments to be made by the Scheme on account of the OIS transaction offset each other and the Scheme benefits on the floating interest payments that it receives. The Scheme may enter into an opposite position in case of a falling interest rate scenario, i.e. to hedge the floating rate assets in its portfolio the Scheme enters into an OIS transaction wherein it receives a fixed interest rate on a specified notional amount for a specified time period and pays a floating interest rate on the same notional amount. The floating interest payments that the Scheme receives on its floating rate securities and the floating interest payments that the Scheme has to pay on account of the OIS transaction offset each other and the Scheme benefits on the fixed interest payments that it receives in such a scenario.

Swap
Assume that the Scheme has a Rs. 20 crore floating rate investment linked to MIBOR (Mumbai Inter Bank Offered Rate). Hence, the Scheme is currently running an interest rate risk and stands to lose if the interest rate moves down. To hedge this interest rate risk, the Scheme can enter into a 6 month MIBOR swap. Through this swap, the Scheme will receive a fixed predetermined rate (assume 10%) and pays the "benchmark rate"(MIBOR), which is fixed by the NSE ("National Stock Exchange of India Limited") or any other agency such as Reuters. This swap would effectively lock-in the rate of 10% for the next 6 months, eliminating the daily interest rate risk. This transaction is usually routed through an intermediary who runs a book and matches deals between various counterparties. The steps will be as follows:
Assuming the swap is for Rs. 20 Crores for November 1, 2013 to May 1, 2014. The Scheme is a fixed rate receiver at 10% and the counterparty is a floating rate receiver at the overnight rate on a compounded basis (say NSE MIBOR).
On November 1, 2013 the Scheme and the counterparty will exchange only a contract of having entered this swap. This documentation would be as per International Swap Dealers Association ("ISDA") norms.
On a daily basis, the benchmark rate fixed by NSE will be tracked by them.
On May 1, 2014 they will calculate the following:
The Scheme is entitled to receive interest on Rs. 20 Crores at 10% for 181 days i.e. Rs.99.18 lakhs, (this amount is known at the time the swap was concluded) and will pay the compounded benchmark rate.
The counterparty is entitled to receive daily compounded call rate for 181 days & pay 10% fixed.

On May 1, 2014, if the total interest on the daily overnight compounded benchmark rate is higher than Rs. 99.18 lakhs, the Scheme will pay the difference to the counterparty. If the daily compounded benchmark rate is lower, then the counterparty will pay the Scheme the difference.
Effectively the Scheme earns interest at the rate of 10% p.a. for six months without lending money for 6 months fixed, while the counterparty pays interest @ 10% p.a. for 6 months on Rs. 20 Crores, without borrowing for 6 months fixed.

The above example illustrates the use of Derivatives for hedging and optimizing the investment portfolio. Swaps have their own drawbacks like credit risk, settlement risk. However, these risks are substantially reduced as the amount involved is interest streams and not principal.

Forward Rate Agreement
Assume that April 01, 2014, the 30 day commercial paper (CP) rate is 8% and the Scheme has an investment in a CP of face value Rs. 50 Crores, which is going to mature on May 01, 2013. If the interest rates are likely to remain stable or decline after May 01, 2014, and if the fund manager, who wants to re-deploy the maturity proceeds for 1 more month does not want to take the risk of interest rates going down, he can then enter into a following Forward Rate Agreement (FRA) say as on April 01, 2014:

He can receive 1 X 2 FRA on April 01, 2014 at 8.00 % (FRA rate for 1 months lending in 1 months time) on the notional amount of Rs. 50 Crores, with a reference rate of 30 day CP benchmark. If the CP benchmark on the settlement dates i.e. May 01, 2013 falls to 7.00%, then the Scheme receives the difference 8.00 – 7.00 i.e. 100 basis points on the notional amount Rs. 50 Crores.

Interest Rate Futures
Assume that the Fund holds an Indian ten year benchmark and the fund manager has a view that the yields will go up in the near future leading to decrease in value of the investment and subsequent decrease in Net Asset Value (NAV) of the fund. The fund house decides to use Interest Rate Futures to mitigate the risk of decline of Net Asset Value (NAV) of the fund.

12th April 2014
The benchmark ten year paper 7.80 2023, is trading at INR 100.00 at a yield of 7.80%. June 2014 futures contract on the ten year notional 7.80% coupon bearing Government paper is trading at a yield of 8.00% at a price of INR 98.75.
The mutual fund decides to hedge the exposure by taking a short position in June 2014 interest rate futures contract.

24th June 2014
The yield of the benchmark ten year paper has increased to 8.10% and the price has decreased to 98.15
The June 2014 futures contract is trading at a price of INR 97.25 indicating a yield of 8.25%.
The mutual fund unwinds the short position by buying the June 2014 futures contract. The transaction results in profit from the futures position, against the corresponding loss from the Government of India security position.

Certain risks are inherent to Derivative strategies viz. lack of opportunities, inability of Derivatives to correlate perfectly with the underlying and execution risks, whereby the rate seen on the screen may not be the rate at which the transaction is executed. For details of risk factors relating to use of Derivatives, the investors are advised to refer to Scheme Specific Risk Factors.

Investment Decision making process:
The Fund Managers shall take a view on the broad direction of the markets including interest rate outlook. Fund Managers shall have the responsibility of individual security analysis, while the dealers shall execute the trading mandates with a view to obtaining the best execution in terms of price and quantity. The Fund Managers, while buying / selling securities for a particular scheme shall take into account the following main factors:

1. Interest Rate Outlook

2. Compliance with SEBI Guidelines
3. Risk Management Guidelines
4. Yield to Maturity of the instrument
5. Yield curve analysis
6. Liquidity of the instrument
7. Credit Rating
8. Credit spreads

Credit Research and Monitoring of Money Market and Debt Instruments:
The investment team will look at each issue in detail; the following broad framework shall help the team in managing the funds. Following are the key aspects of the process:

1. Creation and Maintenance of an Investment Universe
2. In-house credit appraisal
3. Tier system of monitoring
4. Exposure Norms

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The performance of the Scheme will be benchmarked with CRISIL Liquid Debt A-I Index

Justification for use of benchmark

The Scheme intends to invest in a portfolio of instruments which is best captured by the Index. The Index is a realistic estimate to track the returns of a Liquid Fund at a particular return and risk level and hence is used as a benchmark by most market participants.

E. WHO MANAGES THE SCHEME?

Details of the Fund Manager 's experience and qualifications are as under:

Fund Manager	Tenure of managing the Scheme
Mr. Kaustubh Sule	Managing Fund Since May 11, 2023
Mr. Wilfred Gonsalves	Managing Fund Since May 04, 2026

Name of the Fund Manager	Age (years)	Education Qualification	Experience	Other Schemes managed by the Fund Manager
Mr. Kaustubh Sule	40	B.E.(Computer) MBA(Finance)	Mr. Kaustubh has worked in Fixed Income trading and portfolio management for almost 14 years and 3 years in the IT industry as a software engineer. He has worked with Hexaware Technologies, Union Bank of India, Reliance Life insurance , HDFC Life insurance. He was working with Axis Asset Management Company as Fund Manager-	• Groww Overnight Fund • Groww Short Duration Fund • Groww Dynamic Bond Fund • Groww Nifty 1D Rate Liquid ETF • Groww Aggressive Hybrid Fund • Groww Gilt Fund • Groww Liquid Fund

			Fixed Income before joining Groww.	The above mentioned details include name of this Scheme
Mr. Wilfred Gonsalves	33	CA, B. Com from Mumbai University	Wilfred has over 7 years of experience in Investment Management, with a strong background in credit analysis, macroeconomics, fixed income, and gold. At Whiteoak Capital, where he worked for 1.5 years, Wilfred specialized as a dealer in Fixed Income securities and supported Gold ETF units trading. Prior to this, he served as a Fixed Income Dealer at Edelweiss Tokio Life Insurance for 3 years, where his responsibilities included Fixed Income trading and portfolio management. Additionally, at L&T Finance, Wilfred was part of the Deal Origination team for 2 years, conducting in-depth credit analysis to support investment decisions."	• Groww Gold ETF • Groww Silver ETF • Groww Gold ETF FOF • Groww Silver ETF FOF • Groww Multi Asset Allocation Fund • Groww Multi Asset Omni FOF • Groww Arbitrage Fund • Groww Liquid Fund • Groww Short Term Fund • Groww Gilt Fund • Groww Money Market Fund • Groww Dynamic Term Fund • Groww Aggressive Hybrid Fund The above mentioned details include name of this Scheme

F. **HOW IS THE SCHEME DIFFERENT FROM EXISTING SCHEMES OF THE MUTUAL FUND?**

For detailed comparative table of the aforesaid schemes, please click here https://www.growwmf.in/downloads/sid

G. **HOW HAS THE SCHEME PERFORMED (if applicable)**

Groww Liquid Fund			
Compounded Annualised Returns	**Scheme Returns % (Regular Plan)**	**Scheme Returns % (Direct Plan)**	**Benchmark Returns %**
Returns for last 1 year	6.38	6.49	6.21
Returns for last 3 years	6.85	6.96	6.76
Returns for last 5 years	6.18	6.28	6.29
Returns since inception	6.94	6.80	6.71
Benchmark: CRISIL Liquid Debt A-I Index		Inception Date: 25 October 2011	
Data as on 30th September 2026			
Note: Past performance may or may not be sustained in future. Returns are compounded annualized for period more than or equal to 1 year. Calculations are based on Growth Option NAVs.			

H. ADDITIONAL SCHEME RELATED DISCLOSURES

i. Scheme's portfolio holdings (top 10 holdings by issuer and fund allocation towards various sectorshttps://www.growwmf.in/downloads/fact-sheet

ii. Disclosure of name and exposure to Top 7 issuers, stocks, groups and sectors as a percentage of NAV of the scheme in case of debt and equity ETFs/index funds through a functional website link that contains detailed description – Not applicable

iii. Functional website link for Portfolio Disclosure - Fortnightly / Monthly/ Half Yearly - https://www.growwmf.in/statutory-disclosure/portfolio and https://www.growwmf.in/financials/half-yearly-unaudited

iv. Functional website link to the respective addendums to the SID after the last update of SID – https://growwmf.in/downloads/addendum

v. Portfolio Turnover Rate particularly for equity oriented schemes shall also be disclosed - NA

v. Aggregate investment in the Scheme by:

Sr. No.	Category of Persons	Net Value		Market Value (in Rs)
1	Kaustubh Pramod Sule	362.626	5523.2908	1001444.425
2	Wilfred Peter Gonsalves	122.253	2761.6454	337619.4351

For any other disclosure w.r.t investments by key personnel and AMC directors including regulatory provisions in this regard kindly refer SAI.

Disclosure of Portfolio Overlap: https://growwmf.in/downloads/portfolio-overlap.

For any other disclosure w.r.t investments by key personnel and AMC directors including regulatory provisions in this regard kindly refer SAI

Investments of AMC in the Scheme – Groww Asset Management Limited (GAML), the asset management company may invest in the Scheme. However, as per SEBI (MF) Regulations., GAML will not charge any Investment Management Fee for its investment in the Scheme. In addition, the funds managed by the sponsors, Group may invest in the Scheme.

Please refer to https://www.growwmf.in/statutory-disclosure/alignment-of-interest for details.

Risk-o-meter shall be evaluated on a monthly basis and the Risk-o-meter shall be disclosed along with portfolio disclosure on GMF website and on AMFI website within 10 days from the close of each month. Scheme Summary Document (SSD) shall be updated on a Monthly basis or on changes in any specified fields, whichever is earlier. The same shall be uploaded on websites of GMF, AMFI and stock exchanges.

Part III- OTHER DETAILS

A. COMPUTATION OF NAV

The Net Asset Value (NAV) of a mutual fund is the price at which units of a mutual fund are bought or sold. It is the market value of the fund after deducting its liabilities. The value of all units of a mutual fund portfolio are calculated on a daily basis, from this all expenses are then subtracted. The result is then divided by the total number of units the resultant value is the NAV. NAV is also sometimes referred to as Net Book Value or book Value.

Calculation of NAV Mutual fund assets usually fall under two categories – securities & cash. Securities, here, include both bonds and stocks. Therefore, the total asset value of a fund will include its stocks, cash and bonds at market value. IDCWs and interest accrued and liquid assets are also included in total assets. Also, liabilities like money owed to creditors, and other expenses accrued are also included.

The Mutual Fund will value its investments according to the valuation norms, as specified in Seventh Schedule of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time.

Formula to calculate Net Asset Value (NAV) = (Assets – Debts) / (Number of Outstanding units)
Here: Assets = Market value of mutual fund investments + Receivables + Accrued Income
Debts =Liabilities + Expenses (accrued) the market value of the stocks & debentures.

The NAV shall be calculated up to four decimal places. However the AMC reserves the right to declare the NAVs up to additional decimal places as it deems appropriate. Separate NAV will be calculated and disclosed for each Plan/Option. The NAVs of the Growth Option and the IDCW Option will be different after the declaration of the first IDCW.

The AMC will calculate and disclose the first NAV of the Scheme within a period of 5 business days from the date of allotment. Subsequently, the NAVs will be calculated for all the Business Days.

Rounding off policy for NAV: To ensure uniformity, the Mutual Fund shall round off NAVs up to four decimal places & the fourth decimal will be rounded off to the next higher digit if the fifth decimal is or more than 5 i.e., if the NAV is 10.13576 it will be rounded off to 10.1358.

However, there can be no assurance that the investment objective of the scheme will be achieved.

Sale Price: Sale price is a price at which the fund house sells / offers mutual fund units to investors; this is nothing but the NAV of the respective Scheme of Mutual Fund. For investor who wants to invest in Mutual Fund, the units are offered at NAV of the respective Scheme of Mutual Fund.

For Example – If investor A wants to invest Rs. 5,000/- in XYZ Scheme of Mutual Fund. The NAV of Mutual Fund Scheme XYZ is Rs. 15 per unit. Investor's Investments & Mutual Fund unit allocation in Scheme XYZ is calculated as follows:-

Investment of Investor A = Investment Amount / Sale Price
= 5,000 / 15
= 333.3333 units
This means investor A will be allocated 333.3333 units of Mutual Fund Scheme XYZ

Methodology of calculating the repurchase price

Repurchase Price: Repurchase price is a price at which fund house repurchases the mutual fund units back from the investor. For investor who wants to redeem his mutual fund units, the units are repurchased at respective scheme NAV less Exit Load (If Applicable)

For Example - If Mutual Fund Scheme XYZ is having NAV of Rs. 15 & Exit Load of 1% then the repurchase price would be calculated as follow:
Repurchase Price = NAV *(1- Exit Load %)
= 15 *(1-0.01)
= 14.8500

This means the investor will realise Rs. 14.8500 per unit if he redeems from Mutual Fund Scheme XYZ. In case of no exit load the NAV & repurchase price are same.

The repurchase price of an open ended scheme shall not be lower than 97% of the NAV. For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI

B. NEW FUND OFFER (NFO) EXPENSES

These are expenses are incurred for the purpose of various activities related to the NFO such as sales, communication, statutory expenses, and distribution fees paid, marketing and advertising, registrar expenses, printing and stationery, bank charges etc. As required under Regulation 66(3) of the SEBI (MF) Regulations, all NFO expenses were borne by the AMC and not by the Scheme

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include but are not limited to Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer agents' fees & expenses, marketing and selling costs etc.

The AMC has estimated that upto 1.85% of the daily net assets of the scheme shall be charged to the scheme as expenses. For the actual current expenses being charged, the investor should refer to the website viz. https://growwmf.in/downloads/expense-ratio.

Particulars	**% p.a. of daily Net Assets**
Investment Management and Advisory Fees	**Upto 1.85%**
Audit fees/fees and expenses of trustee	
Custodial fees	
Registrar & Transfer Agent Fees including cost of providing account statement/IDCW/redemption cheque/warrants	
Marketing & Selling expense including fees, commission and charges towards distribution of mutual fund scheme	
**Cost related to investor communications	
Cost of fund transfer from location to location	
Cost toward investor Education & Awareness and financial inclusion	

Brokerage cost pertaining to execution of trade exceeding limit mentioned under Reg 66(9) ###	
Costs of statutory Advertisements	
Other Expenses (to be specified as per Reg 66 of SEBI MF Regulations)	
Maximum Base expense ratio (BER) permissible under Regulation 66	**Upto 1.85%**
Statutory levies (including GST) on all expenses excluding brokerage and transaction cost	**As per prevailing rate**
Statutory levies (including GST) on brokerage and transaction cost	**As per prevailing rate**
Total Expense Ratio (TER) permissible under Regulation 67	**Upto 1.85%**

The BER shall include:
- Investment and Advisory fees (sub-regulation 4 of Regulation 66)
- Recurring expenses (sub-regulation 5 of Regulation 66)
- Charges/ commission/ fees related to distribution of mutual fund schemes (Sub regulation 6 of Regulation 66)

In addition to the limits as specified in Regulation 67 of SEBI Mutual Funds Regulations 2026 Total Recurring Expenses (Total Expense Limit) as specified above, the following costs or expenses may be charged to the scheme:

- Schemes may charge expense incurred towards brokerage, for the purpose of execution of trade,
over and above the base expense ratio subject to a maximum of 0.06 per cent of trade value in case of cash market transactions and 0.02 per cent of trade value in case of derivatives transactions. Expense charged towards brokerage, over and above the specified limit, shall not be part of the base expense ratio limit specified in the table given above.

- Transaction cost means regulatory levies and any other expenses charged by the stock exchanges, clearing corporation, and clearing house, as applicable. Such transaction costs shall not form part of the base expense ratio.

- Statutory levy means levy imposed by state government and central government.

**Additional incentives to distributors for on boarding new individual investors from B-30 cities and women investors shall be paid from the amount set apart annually by AMCs for investor education, awareness.
1. New investments / inflows eligible for the additional commission:
a. New individual investors (new PAN) from B-30 cities, at the mutual fund industry level;
b. New women individual investors (new PAN) from both Top 30 and B-30 cities.
c. The top 30 cities shall mean top 30 cities based on AMFI data on 'AUM by Geography – Consolidated Data for Mutual Fund Industry' as at the end of the previous financial year.

- **As per para 11.9.1 of SEBI Master Circular on Mutual Funds, the charges applicable for investor education and awareness initiatives shall be 0.02% of daily net assets of the scheme. Further, as per para 11.6, the additional distribution commission shall be paid from the 2 basis points on daily net assets, mandatorily set aside annually by the AMC towards investor education, awareness, and financial inclusion initiatives, subject to applicable clawback provisions.

- Any expense other than those specified in sub-regulation (4), sub-regulation (5), sub regulation (6), sub-regulation (9) and sub-regulation (10), as mentioned above, shall not be charged to the scheme and shall be borne by the AMC or trustee or sponsors.

- No charges other than the base expense ratio, brokerage cost, transaction cost, statutory levy and exit load including levies as may be specified by the SEBI, shall be charged to the investors.

- Any expenditure in excess of the base limits specified in these regulations shall be borne by the asset management company or the trustees or sponsors. If any expense of the scheme is borne by asset management company or by the trustee or sponsors, the same shall be done only after the investment and advisory fees charged to the scheme, if any, is fully reversed

- Any other expenses which are directly attributable to the Scheme, may be charged with approval of the Trustee within the overall limits as specified in the Regulations except those expenses which are specifically prohibited.

All fees and expenses charged in a direct plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in a regular plan. The BER (Base Expense Ratio) of the Direct Plan will be lower to the extent of the distribution expenses/commission which is charged in the Regular Plan and no commission for distribution of Units will be paid / charged under the Direct Plan.

First Rs.500 crore	**Next Rs.250 crore**	**Next Rs.1,250 crore**	**Next Rs.3,000 crore**	**Next Rs.5,000 crore**	**Next Rs.40,000 crore**	**On the balance of the assets**
1.85%	1.65%	1.40%	1.25%	1.15%	Expense ratio reduction of 0.05% for every increase of Rs.5,000 crores of daily net assets or part thereof	0.70%

Illustration of impact of expense ratio on returns of the Scheme

Particular	**Regular Plan**	**Direct Plan**
Net asset before expenses	11,000	11,000
Expenses other than Distribution Expenses _0.15%	16.5	16.5
Distribution Expenses 0.50%	55	
Returns after Expenses at the end of the Year	10,929	10,984
Returns on invested amount after expenses (Rs)	929	984
% Returns after Expenses at the end of the Year	9.29%	9.84%

Please Note:

• The purpose of the above illustration is purely to explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.

• It is assumed that the expenses charged are evenly distributed throughout the year. The expenses of the Direct Plan under the Scheme may vary with that of the Regular Plan under the Scheme.
• Calculations are based on assumed NAVs, and actual returns on your investment may be more, or less.
Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to consult his or her own financial advisor.
• For the actual current expenses being charged to the Scheme, the investor should refer to the website of the mutual fund https://www.growwmf.in/downloads/expense-ratio . Any change proposed to the current expense ratio will be updated on the website at least three working days prior to the change.

As per the Regulations, the total recurring expenses that can be charged to the Scheme in this Scheme information document shall be subject to the applicable guidelines. The total recurring expenses of the Scheme, will, however, be limited to the ceilings as prescribed under Regulation 66 of the Regulations.

D. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (https://www.growwmf.in/downloads/fact-sheet) or may call at (toll free no. 8050180222) or your distributor.

Exit Load-

Investor exit upon subscription*	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7
Exit Load as a % of redemption proceeds	0.0070%	0.0065%	0.0060%	0.0055%	0.0050%	0.0045%	0.0000%

Please Note that:

1. Exit load charged to the investors from 7th day onwards will be credited back to the scheme net of service tax.
2. The load structure will be applicable for applicable for units allotted on purchases or switch-ins (including through systematic investments under existing enrolments / registrations).
3. Bonus Units and Units issued on reinvestment of dividends shall not be subject to entry and exit load.
4. For any change in load structure AMC will issue an addendum and display it on the website/Investor Service Centres.

The investor is requested to check the prevailing load structure of the Scheme before investing

Changing the Load Structure:

Under the Scheme, the AMC reserves the right to modify/alter the load structure if it so deems fit in the interest of smooth and efficient functioning of the scheme, subject to maximum limits as prescribed under the SEBI Regulations. The load may also be changed from time to time and in case of exit/redemption, load may be linked to the period of holding.

Any change in the load structure shall be applicable on prospective basis.

For any change in the load structure, the AMC would undertake the following steps:

1. The addendum detailing the changes will be attached to SID and Key Information Memorandum (KIM). The addendum will be circulated to all the distributors so that the same can be attached to all SID and KIM already in stock.
2. Arrangements shall be made to display the changes/modifications in the SID in the form of a notice in all Investor Service Centres and distributors/brokers offices.
3. The introduction of the exit load/ along with the details shall be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load/
4. The Fund shall display the addendum on its website https://growwmf.in/downloads/addendum
5. Any other measure that the Mutual Fund shall consider necessary.

I. Introduction

A. Definitions:

For detailed description please click the link: https://www.growwmf.in/downloads/sid

B. Risk factors:

Scheme Specific Risk Factors

The following are the risks associated with investment in Fixed Income securities:

Interest-Rate Risk: Fixed income securities such as government bonds, corporate bonds, Money Market Instruments and Derivatives run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices depends upon the coupon and maturity of the security. It also depends upon the yield level at which the security is being traded.

Re-investment Risk: Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original coupon of the bond.

Liquidity Risk: The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.

Credit Risk: This is the risk associated with the issuer of a debenture/bond or a Money Market Instrument defaulting on coupon payments or in paying back the principal amount on maturity. Even when there is no default, the price of a security may change with expected changes in the credit rating of the issuer. It is to be noted here that a Government Security is a sovereign security and is the safest. Corporate bonds carry a higher amount of credit risk than Government Securities. Within corporate bonds also there are different levels of safety and a bond rated higher by a particular rating agency is safer than a bond rated lower by the same rating agency.

Liquidity Risk on account of unlisted securities: The liquidity and valuation of the Scheme investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted

security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.

Pre-Payment Risk - Certain fixed income securities give an issuer the right to call back its securities before their maturity date, in periods of declining interest rates. The possibility of such prepayment may force the fund to reinvest the proceeds of such investments in securities offering lower yields, resulting in lower interest income for the fund

Risk Associated with Securitized Debt

Domestic securitised debt assets would be in the nature of Mortgage backed securities (MBS) and Asset backed securities (ABS) with underlying pool of assets and receivables like Housing Loans, Auto loans and corporate loans. The Securitised debt assets and the underlying asset classes like housing loans, Auto Loans and Corporate loans have the following risk factors.

• Limited Recourse and Credit Risk: Certificates issued on investment in securitised debt represent a beneficial interest in the underlying receivables and there is no obligation on the issuer, seller or the originator in that regard. Defaults on the underlying loan can adversely affect the pay outs to the investors (i.e. the Scheme) and thereby, adversely affect the NAV of the Scheme. While it is possible to repossess and sell the underlying asset, various factors can delay or prevent repossession and the price obtained on sale of such assets may be low.

• Bankruptcy Risk: If the originator of securitised debt instruments in which the Scheme invests is subject to bankruptcy proceedings and the court in such proceedings concludes that the sale of the assets from originator to the trust was not a 'true sale', then the Scheme could experience losses or delays in the payments due. Normally, care is taken in structuring the securitization transaction so as to minimize the risk of the sale to the trust not being construed as a 'true sale'.

• Risk of Co-mingling: Servicers in a securitization transaction normally deposit all payments received from the obligors into a collection account. However, there could be a time gap between collection by a servicer and depositing the same into the collection account. In this interim period, collections from the loan agreements by the servicer may not be segregated from other funds of the servicer. If the servicer fails to remit such funds due to investors, investors in the Scheme may be exposed to a potential loss.

Risks associated with Mortgage Backed Securities (MBS) - Housing Loans

• Prepayment Risk: The fund may receive payment of monthly payouts earlier than scheduled. Prepayments shorten the life of the instrument to an extent that cannot be fully predicted. The rate of prepayments may be influenced by a variety of economic, social and other factors.

• Credit Risk: Delinquencies may happen which would reduce the principal amount. Typically MBS structures come with credit enhancement in variety of forms. If delinquencies are higher than the amount available in the credit enhancement facility than the monthly payouts to the fund would reduce. Historically, it has been observed that housing loans have lower default rates as compared to other forms of credit.

• Liquidity Risk: Historically the secondary market volume of securitised papers has been limited. This could limit the ability of the fund to resell them. Secondary market trades could be at a discount or premium depending upon the prevailing interest rates.

• Conversion risk: Conversion of loans from fixed rate to floating rate loans and vice versa could lead to a change in the expected cash flows from the loans.

Risks associated with Asset Backed Securities (ABS)-Auto Loans.

• Prepayment Risk: The fund may receive payment of monthly payouts earlier than scheduled. Prepayments shorten the life of the instrument to an extent that cannot be fully predicted. The rate of prepayments may be influenced by a variety of economic, social and other factors. Prepayments in auto loans is lower than housing loans as the shorter tenor of auto loans makes it economically unattractive to prepay after considering the prepayment charges.

• Credit Risk: Delinquencies may happen which would reduce the principal amount. Typically, ABS structures come with credit enhancement in variety of forms. If delinquencies are higher than the amount available in the credit

enhancement facility than the monthly payouts to the fund would reduce. Typically auto loans carry higher risk than MBS as the value retention of the underlying asset is higher in MBS as compared to the underlying asset of ABS.
• Liquidity Risk: Historically the secondary market volume of securitised papers has been limited. This could limit the ability of the fund to resell them. Secondary market trades could be at a discount or premium depending upon the prevailing interest rates.
• Conversion risk: Conversion of loans from fixed rate to floating rate loans and vice versa could lead to a change in the expected cash flows from the loans.

Risks associated with Asset Backed Securities (ABS) - Corporate Loans
• Credit Risk: The fund has an exposure to the Borrower/Borrowers and servicing of the instrument depends on the credit risk of the Borrower. The value of the instrument would fluctuate depending upon the changes in the perceived level of credit risk as well as any actual default.
• Prepayment Risk: The Borrower may prepay the receivables prior to their respective due dates. This may result in a change in the yield and tenor for the fund.
• Limited Liquidity and Price Risk: Historically the secondary market volume of securitised papers has been limited. This could limit the ability of the fund to resell them. Secondary market trades could be at a discount or premium depending upon the prevailing interest rates.

Risks associated with Derivatives Transactions

Credit Risk: The credit risk is the risk that the counter party will default in its obligations and is generally small as in a Derivative transaction there is generally no exchange of the principal amount.
Interest rate Risk: Derivatives carry the risk of adverse changes in the price due to change in interest rates.
Basis Risk: When a bond is hedged using a Derivative, the change in price of the bond and the change in price of the Derivative may not be fully correlated leading to basis risk in the portfolio.
Liquidity Risk: During the life of the Derivative, the benchmark might become illiquid and might not be fully capturing the interest rate changes in the market, or the selling, unwinding prices might not reflect the underlying assets, rates and indices, leading to loss of value of the portfolio.
Model Risk: The risk of mis–pricing or improper valuation of Derivatives.
Trade Execution: Risk where the final execution price is different from the screen price leading to dilution in the spreads and hence impacting the profitability of the reverse arbitrage strategy.
Systemic Risk: For Derivatives, especially OTC ones, the failure of one Counter Party can put the whole system at risk and the whole system can come to a halt.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.
The risks associated with the use of Derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Risk associated with Securities Lending
Securities Lending is a lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed. There are risks inherent in securities lending, including the risk of failure of the other party, in this case the approved intermediary to comply with the terms of the agreement. Such failure can result in a possible loss of rights to the collateral, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of corporate benefits accruing thereon.

Risk factors associated with repo transactions in corporate bonds

- The market for the aforesaid product is over the counter (OTC) and illiquid. Hence, repo obligations cannot be easily sold to other parties. If counterparty fails, the scheme would have to take recourse to the collateral provided. If a counterparty fails to repay and the value of the collateral falls beyond the haircut, then the Scheme would be exposed to a loss of interest or principal

- Further, the exposure to debt securities provided as collateral, and the issuer of the debt securities makes a default, the scheme may lose the whole, or substantial portion of the amount

  - **Potential Risk Matrix:**
    The Potential Risk Class Matrix reflects the maximum risk fund manager can take in the scheme in terms of maximum interest rate risk (measured by Macaulay duration of scheme) and maximum credit risk (measured by Credit Risk value of the scheme). The threshold for values of interest rate risk & credit risk would determine the maximum risk the scheme can take.

  - I. Maximum Weighted Average Interest Rate Risk of the scheme (measured in terms of Macaulay Duration):
    1. Class I: MD<= 1 year;
    2. Class II: MD<=3 years;
    3. Class III: Any Macaulay duration

    ii. Maximum Weighted Average Credit Risk of the scheme (measured in terms of Credit Risk Value assigned to each security in portfolio):
    1. Class A: CRV >=12
    2. Class B: CRV >=10
    3. Class C: CRV

  - **Liquidity Risk Management Framework:**
    It takes into account the Liquidity Risk arising from the liability side & covers all potential liquidity risk scenarios at 95% confidence interval. Two types of liquid assets shall be maintained by Open ended debt schemes. Both these ratios are calculated & liquid assets are maintained on a daily basis at a scheme level for all open-ended debt schemes (except Overnight Fund, Gilt Fund and Gilt Fund with constant duration). In the case where liquid assets in a scheme fall below the minimum required threshold then portfolio manager cannot buy any other assets apart from liquid assets till time the liquid assets are replenished, as per the SEBI guidelines.

  - **Stress Testing:**
    Stress testing in open-ended debt schemes addresses the asset side risk from an Interest Rate Risk, Credit Risk & Liquidity Risk perspective at an aggregate portfolio level in terms of its impact on Net Asset Value of the scheme. The AMC conducts Stress testing for all open-ended debt schemes (except overnight Fund) on a fortnightly basis. The model portfolio for each category of fund is defined. In case the stress in the actual portfolio is greater than stress in model portfolio then corrective action is taken within the defined timeline.

  - **Asset Liability Mismatch:**
    The AMC monitors the Asset Liability Mismatch (ALM) requirement which address potential liquidity risk. The liability side covers all possible outflow scenarios with a 95% confidence interval over 90 days period. The asset side is rigoured based on Risk-o-meter liquidity scores in an exponential manner, to penalize assets with higher Risk-o-meter scores more than proportionately. With the above liquidity management tools, the redemption risk in the scheme can be addressed to a certain extent.

Risk factors associated with investment in CDMDF

CDMDF is set up as a scheme of the Trust registered as an Alternative Investment Fund ('AIF') in accordance with the SEBI (Alternative Investment Funds) Regulations, 2012 ("AIF Regulations"). The objective of the CDMDF is to help to develop the corporate debt market by providing backstop facility to instill confidence amongst the market participants in the corporate debt/bond market during times of market dislocation and to enhance the secondary market liquidity. In times of market dislocation, CDMDF shall purchase and hold eligible corporate debt securities from the participating investors (i.e., specified debt oriented MF schemes to begin with) and sell as markets recover. The CDMDF will thus act as a key enabler for facilitating liquidity in the corporate debt market and to respond quickly in times of market dislocation. The trigger and period for which the backstop facility will be open shall be as decided by SEBI. Thus, this backstop facility will help fund managers of the scheme to better generate liquidity during market dislocation to help the schemes fulfill liquidity obligations under stress situation.

C. Risk mitigation strategies

(a) Size and reach of the originator – different originators have varying levels of reach and access. Besides, different originators operate in different geographies and consumer segments. Also the asset classes that they originate could be different depending on their target profitability, risk tolerance levels and support infrastructure for disbursing loans and making recoveries and collections. We usually look for originators possessing fair degree of diversification in their operation (metros/ semi urban and rural markets), asset classes (collateralized assets are preferred such as cars, commercial vehicles, construction equipment etc.) and with a fairly robust collection infrastructure. Most of the regular names that we invest comply with these requirements.

(b) Collection process, infrastructure and follow-up mechanism – we usually prefer originators who possess in-house capabilities and infrastructure as regards disbursements, collections and recoveries since it has been historically proven that such entities usually exhibit better asset quality in the long run. Most of the originators in our universe fall in this category.

(c) Quality of MIS – data quality and timely availability is critical in the asset financing business. We stress on this aspect and look for entities which have robust MIS and have networked branches so that MIS generation is faster, efficient and senior management is in a position to take timely decisions.

(d) Credit enhancement for different type of originator – this varies between originators and is usually determined and specified by the originator. The rating agency usually established the base case losses for the originator and for the specific asset category and then applies a stress factor depending on their own assessment of the originators financial health, and other strengths and weaknesses as also the prevailing macroeconomic factors which can impact overall asset quality.

4. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments

Following framework will be applied while evaluating investment decision relating to a pool securitization transaction:

Characteristics/ Type of Pool	Mortgage Loan#	CV & CE	Cars	2 Wheelers	Micro Finance Pools @	Personal Loans	Single Sell Downs
Approximate Average	36-72	12-30	12-30	12-18	3-15	12-24	12-24

maturity (in Months)*							
Collateral margin (including cash guarantees, excess interest spread, subordinate tranche)	Min : 10	5-25	5-25	Min : 15	Min : 10	Min : 15	-
Average Loan to Value Ratio (%)	70-90	65-85	65-85	50-75	60-85	NA	-
Average seasoning of the Pool (months)	6-12	3-6	3-6	3-6	1-3	3-6	-
Maximum single exposure range%	5-15	5-15	5-15	5-10	5-15	5-10	5-15
Average single exposure range %	10	10	10	7.5	10	7.5	10

1. Kindly note that these are indicative ranges and final figures could vary depending upon the overall characteristics of the transaction and market conditions.
2. Also since most of the transactions are composite in nature i.e. they have more than one asset class the actual cash level would be finalized based on the final mix.
3. Mortgage loans are usually not clubbed with other asset classes since the average tenors are different for these asset classes. Hence mortgage loan pools are usually issued separately. Hence we have indicated 15 % under this asset class.
4. Micro finance pools are also issued separately and not clubbed with other asset classes. Hence we have indicated 15% under Micro Finance pools under maximum exposure.
5. The percentages indicated in the table above is with reference to investments in securitized debt instruments, subject to investment restrictions as per the regulations.
6. The scheme shall invest in securitized debt instruments maturing on or before the maturity of the scheme.

CV: Commercial Vehicles
CE: Construction Equipment

Risk Mitigating Measures:

a) Size of the loan – the overall fund raising plan of the obligor / originator is examined to assess the impact it would have on overall gearing and debt servicing

b) Average original maturity of the pool –This is also important from a point of indicating how quickly the pool will liquidate as the underlying assets mature and pay-off. This parameter would impact interest rate sensitivity of the security.

c) Loan to Value Ratio – the LTV varies from issuer to issuer and also within asset classes. Based on our past experience and empirical data, we examine the LTV levels, since these have a critical link to the final recoveries in the case of default.

d) Average seasoning of the pool - this may also vary between originators. Higher seasoning at the start will offer better visibility on future delinquencies. Pools with higher average seasoning which depict low delinquencies usually tend to have satisfactory asset quality over the life of the transaction. We prefer to invest in pools which have average seasoning of at least 3-4 months at the start since any early delinquencies can be removed at the time of pool finalization.

e) Default rate distribution – this is studied using empirical data for the originator. This is also a critical data used by the rating agency in determining the credit enhancement levels to be stipulated.

f) Geographical Distribution – all pools usually have assets which are geographically diversified, since this reduces the default risk.

g) Credit enhancement facility – very critical especially in the case of retail pools since delinquencies and final asset losses are absorbed using cash so that there is no shortfall in investor servicing.

h) Liquid facility – in some cases in addition to the credit enhancement facility there is also a liquidity facility available which is useful to meet any shortfalls arising from delayed collections (delinquencies) in the pool. If an explicit liquidity facility is not provided in the transaction, then the credit enhancement facility is used for the said purpose. Note however that the liquidity facility is only available to be used for standard assets i.e. assets wherein the days past due do not exceed 90.

i) Structure of the pool – we will invest in both single loan securitization transactions and retail pool securitization transactions. Single loan securitization transactions will essentially be loans which are repackaged as pass through certificates (PTCs) and sold to potential investors. These may be collateralized i.e. backed by certain fixed assets of the issuers. In the case of retail pool securitization transactions, we will have underlying retail loans from various asset classes such as cars, CVs, construction equipment etc.

The above framework including the above mentioned risk mitigating measures will be applied at the time of analyzing pool PTC transactions. In the case of composite PTC pools i.e. pools with more than one asset class, each of the asset categories will be assessed separately in order to arrive at the overall risk profile of the composite pool.

5. Minimum retention period of the debt by originator prior to securitization

There is usually no stipulation on the minimum retention period of debt by the originator in the case of single loan PTCs. We follow usual investment guidelines in evaluating the eligibility of the security for our portfolios. This is in compliance with extant regulations on securitization.

In the case of ABS securities (pool PTCs), assets are usually sold down by the originators after a period of 1-2 months from their date of origination. This helps in identifying any delinquencies in these assets and creating a high quality pool.

RBI governs the issuance of securitized debts in India. It has formulated guidelines for minimum retention period. Depending on the tenor of the securitized assets and the type of repayment schedule viz. periodic repayment or bullet repayment, nine or twelve months have been prescribed as the minimum retention period before the assets can be securitised.

6. Minimum retention percentage by originator of debts to be securitized

Our investment decisions are based on our independent assessment of the credit risk/other risks specific to the transaction. Minimum retention percentage of the debt securitized by the originator is usually not stipulated.
RBI has prescribed the minimum retention percentage as 5% or 10% of the book value of the loans being securitised depending on the original maturity of the loans and the features of the securitisation transaction.

7. The mechanism to tackle conflict of interest when the mutual fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the fund

All investment decisions are led by stand-alone assessments of the securities (PTC) from a credit, liquidity and market risks amongst others. Our internal process and reporting platforms are designed to ensure complete independence of the credit research & investment process from sales business.

8. In general, the resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt

The fund management team has the required experience to analyse and monitor investments in securitised debts. On an on-going basis the rating movement of the securitised debts will be monitored. Credit research agencies also provide analysis of individual instruments and pools. The periodic reports received by the AMC on pool performance will be scanned to check for any change in asset quality and related impact on debt servicing and any impact that it can have on the credit ratings.

II. Information about the scheme:

A. Where will the scheme invest –

• **TREPS** (Triparty repo dealing System)
TREPS is a discount instrument introduced by the Clearing Corporation of India Limited (CCIL). They can be traded like any other discount instrument. Lenders buy TREPS and borrowers sell TREPS. CCIL manages the risks inherent in issuing these securities through a system of margins and deposits that it takes from both lenders and borrowers. TREPS can be issued/bought/sold for a minimum of one day to a maximum of 364 days

Certificate of Deposit (CD)
Certificate of Deposit (CD) is a negotiable money market instrument issued by scheduled commercial banks and select all-India Financial Institutions that have been permitted by the RBI to raise short term resources. The maturity period of CDs issued by the Banks is between 7 days to one year, whereas, in case of FIs, maturity is one year to 3 years from the date of issue.

Commercial Paper (CP)
Commercial Paper (CP) is an unsecured negotiable money market instrument issued in the form of a promissory note, generally issued by the corporates, primary dealers and all India Financial Institutions as an alternative source of short term borrowings. CP is traded in secondary market and can be freely bought and sold before maturity.

Reverse Repo
Reverse Repo is a transaction in which two parties agree to purchase and sell the same security with an agreement to sell or purchase the same security at a mutually decided future date and price. The transaction results in collateralized lending or borrowing of funds. Presently in India, G-Secs, State Government securities and T-Bills and Corporate Bonds with requisite ratings are eligible for Reverse Repo.

Treasury Bill (T-Bill): Treasury Bills (T-Bills) are issued by the Government of India or State Governments to meet their short term borrowing requirements. T-Bills are issued for maturities of 91 days, 182 days and 364 days. T-Bills are issued at a discount and for a fixed period.

Securities created and issued by the Central and State Governments as may be permitted by RBI, securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills). State Government securities (popularly known as State Development Loans or SDLs) are issued by the respective State Government in co-ordination with the RBI.

Non Convertible Debentures and Bonds
Non convertible debentures as well as bonds are securities issued by companies / Institutions promoted / owned by the Central or State Governments and statutory bodies which may or may not carry a Central/State Government guarantee, Public and private sector banks, all India Financial Institutions and Private Sector Companies. These instruments may be secured or unsecured against the assets of the Company and generally issued to meet the short term and long term fund requirements. The Scheme may also invest in the non convertible part of convertible debt securities.

Floating Rate Debt instruments
Floating rate debt instruments are instruments issued by Central / state governments, corporates, PSUs, etc. with interest rates that are reset periodically.

Pass Through Certificate (PTC)
(Pay through or other Participation Certificates) represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two wheeler loans and other assets subject to applicable regulations.

Securitized Assets
Securitization is a structured finance process which involves pooling and repackaging of cashflow producing financial assets into securities that are then sold to investors. All assets can be securitized so long as they are associated with cash flows. A Pass Through Certificate (PTC) represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two wheeler loans and other assets subject to applicable regulations.

A typical process of asset securitization involves sale of specific receivables to a Special Purpose Vehicle (SPV) set up in the form of a trust or a company. The SPV in turn issues financial instruments (promissory notes, participation certificates or other debt instruments) also referred to as Securitized Debt to the investors evidencing the beneficial ownership of the investors in the receivables. The financial instruments are rated by an independent credit rating agency.

The Scheme may invest in various type of securitisation issuances. The Scheme does not propose to limit its exposure to only one asset class or to have asset class based sub-limits as it will primarily look towards the credit rating of the offering.

Investment in CDMDF

In accordance with the requirement of regulation 40 of SEBI (Mutual Funds) Regulations, 2026 read with para 18.2 of SEBI Master circular on Mutual Funds on Investment by Mutual Fund Schemes and AMCs in units of Corporate Debt Market Development Fund, scheme shall invest 25 bps of its AUM.

Disclosures regarding investments in Securitised Debt:
1. How the risk profile of securitized debt fits into the risk appetite of the scheme?

An evaluation procedure similar to that applied in analyzing plain vanilla debt (commercial paper, non convertible debentures and bonds) will be employed for analyzing securitized debt and assessing their suitability in line with investment objective of the scheme.

Normally, the risk of investing in securitized debts is similar to investing in debt securities. However as securitized debt involves staggered cash flows from underlying loans, there is always a risk of pre-payment of loan instalments by the ultimate borrower which may reduce the returns of the Scheme if the re-investment rates are lower than initially envisaged. The efforts will be made to identify and make investments in those assets which have maximum or bullet repayment on maturity.

The securitized debts have a relatively lower liquidity compared to other plain vanilla debt securities. Since we propose to restrict the investments in securitized debt to the extent specified above under respective schemes, we don't envisage any significant liquidity risk.

Securitized debts, typically offer higher yield than debt securities of similar rating and maturity due to the aforementioned additional risks. If the fund manager is of the view that the additional risks are suitably compensated by higher returns, then investments will be made in securitized debts subject to applicable limits.

The Scheme will predominantly invest only in those securitization issuances which have at least an investment grade credit rating indicating high level of safety from the credit risk point of view at the time of making an investment.

2. Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc

The Originator is the entity who has initially given the loan and transferred the receivables to a SPV, The Scheme shall invest in those securitized debts, whose Originator is a Corporate Entity, being a Bank or an NBFC. Before entering into any securitization transaction, the risk is assessed based on the information generated from the following sources:

(a) Track record – This is a key parameter that we consider at the time of analyzing the transaction. Originators with long track record of operation lend a greater degree of comfort, as they have a longer operating credit history which can be assessed. The track-record would vary depending on the obligor/ originator. Further the track-record of having undertaken such transactions are also evaluated. Most of the entities which undertake such transactions in the Indian market have both a long track-record of operations and a history of having undertaken securitization transactions.

(b) Willingness to pay, through credit enhancement facilities etc. – In this case the stand alone credit assessment of the obligor is carried out to indicate the overall financial health. In the case of retail pool securitization transactions, credit enhancement levels offered at the start and the overall utilization levels during the tenor of the transaction is analyzed to reflect the credit comfort and cushion available.

(c) Ability to pay- this is the outcome of the stand-alone credit assessment of the issuer which is arrived after analyzing the income statement and balance sheet of the obligor. This aspect is the key in the case of single loan sell down transactions, since the final repayment is to be made by the obligor and is directly dependent on its overall financial health. This aspect is also usually reflected in the stand-alone credit rating of the company which primarily captures the credit risk i.e the ability to honour financial obligations to lenders in a timely fashion.

(d) Business risk assessment, wherein following factors are considered:

- Outlook for the economy (domestic and global) – this forms part of the usual credit assessment and the macro analysis. This will have impact on the business risk of the obligor.

- Outlook for the industry – external risks are analyzed here and their impact on the business risk is analyzed. Opportunities and threats as part of the swot analysis are analyzed.

- Company specific factors – the strengths and weaknesses of the company are critically analyzed here

In addition **a detailed review and assessment of rating rationale** is done including interactions with the company as well as agency - The latest rating assessment report is studied to understand the key strengths and risks faced by the issuer/obligor. It has been our practice to discuss the rating report with the rating agency in order to understand the finer credit aspects and the impact it could have on the financial health and rating. As part of the due diligence, we also hold discussions with the obligors / originators which help in getting a better insight into their background.

Critical Evaluation Parameters (for pool loan and single loan securitization transactions) regarding the originator / underlying issuer is as follows:

Default track record/ frequent alteration of redemption conditions / covenants – all transaction conditions and covenants are analyzed to examine any flexibility available to the obligor/originator to alter the terms and conditions which can impact the investor position. If any of these conditions are un-favourable, then these are negotiated / altered at the start of the transaction.

High leverage ratios of the ultimate borrower (for single-sell downs) – both on a standalone basis as well on a consolidated level/ group level – financial analysis of balance sheet and income sheet ratios forms critical part of credit analysis, since factors such as gearing will determine both the credit rating as well as debt servicing and final repayment. High gearing also may limit the ability of the obligor to seek additional funding from the market on a timely basis to meet any maturing obligations. Hence this aspect is very crucial in the analysis.

Higher proportion of rescheduling of underlying assets of the pool or loan, as the case may be –we analyze the pool at start to ensure that there are no major rescheduled assets within the pool, since any deterioration of such assets could weaken the pool's overall asset quality and could lead to higher credit enhancement utilization.

Higher proportion of overdue assets of the pool or the underlying loan, as the case may be – quality of the retail pool at start is important as it could have a significant impact on the pool's performance during its tenor.

Poor reputation in market - originators /obligors with poor reputation and/or financial health are usually discarded during our credit evaluation, since asset quality could quickly deteriorate in some cases which could impair debt servicing and repayment. Further, such obligors would also find it difficult to tap the market to raise funds if needed to meet any maturing financial obligations.

Insufficient track record of servicing of the pool or the loan, as the case may be – since we critically assess track-record of operations of the obligor/originator, any shortfall in this parameter would be captured in our analysis. We usually prefer obligors / originators with reasonable operating history since it offers adequate credit history for purpose of credit analysis.

3. Risk mitigation strategies for investments with each kind of originator

(a) Size and reach of the originator – different originators have varying levels of reach and access. Besides, different originators operate in different geographies and consumer segments. Also the asset classes that they originate could be different depending on their target profitability, risk tolerance levels and support infrastructure for disbursing loans and making recoveries and collections. We usually look for originators possessing fair degree of diversification in their operation (metros/ semi urban and rural markets), asset classes (collateralized assets are preferred such as cars, commercial vehicles, construction equipment etc.) and with a fairly robust collection infrastructure. Most of the regular names that we invest comply with these requirements.

(b) Collection process, infrastructure and follow-up mechanism – we usually prefer originators who possess in-house capabilities and infrastructure as regards disbursements, collections and recoveries since it has been historically proven that such entities usually exhibit better asset quality in the long run. Most of the originators in our universe fall in this category.

(c) Quality of MIS – data quality and timely availability is critical in the asset financing business. We stress on this aspect and look for entities which have robust MIS and have networked branches so that MIS generation is faster, efficient and senior management is in a position to take timely decisions.

(d) Credit enhancement for different type of originator – this varies between originators and is usually determined and specified by the originator. The rating agency usually established the base case losses for the originator and for the specific asset category and then applies a stress factor depending on their own assessment of the originators financial health, and other strengths and weaknesses as also the prevailing macroeconomic factors which can impact overall asset quality.

4. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments

Following framework will be applied while evaluating investment decision relating to a pool securitization transaction:

Characteristics/ Type of Pool	Mortgage Loan#	CV & CE	Cars	2 Wheelers	Micro Finance Pools @	Personal Loans	Single Sell Downs
Approximate Average maturity (in Months)*	36-72	12-30	12-30	12-18	3-15	12-24	12-24
Collateral margin (including cash guarantees, excess interest spread, subordinate tranche)	Min : 10	5-25	5-25	Min : 15	Min : 10	Min : 15	-
Average Loan to Value Ratio (%)	70-90	65-85	65-85	50-75	60-85	NA	-
Average seasoning of the Pool (months)	6-12	3-6	3-6	3-6	1-3	3-6	-
Maximum single exposure range%	5-15	5-15	5-15	5-10	5-15	5-10	5-15
Average single exposure range %	10	10	10	7.5	10	7.5	10

1. Kindly note that these are indicative ranges and final figures could vary depending upon the overall characteristics of the transaction and market conditions.
2. Also since most of the transactions are composite in nature i.e. they have more than one asset class the actual cash level would be finalized based on the final mix.
3. Mortgage loans are usually not clubbed with other asset classes since the average tenors are different for these asset classes. Hence mortgage loan pools are usually issued separately. Hence we have indicated 15 % under this asset class.
4. Micro finance pools are also issued separately and not clubbed with other asset classes. Hence we have indicated 15% under Micro Finance pools under maximum exposure.
5. The percentages indicated in the table above is with reference to investments in securitized debt instruments, subject to investment restrictions as per the regulations.
6. The scheme shall invest in securitized debt instruments maturing on or before the maturity of the scheme.

CV: Commercial Vehicles
CE: Construction Equipment

Corporate Debt Market Development Fund (CDMDF)

DEBT AND MONEY MARKETS IN INDIA

The Indian debt market is today one of the largest in Asia and includes securities issued by the Government (Central & State Governments), public sector undertakings, other government bodies, financial institutions, banks and corporate. Government and public sector enterprises are the predominant borrowers in the markets. Securities in the debt market typically vary based

on their tenure and rating. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts, pension funds and corporate. The Indian debt market is the largest segment of the Indian financial markets. The debt market comprises broadly two segments, viz. Government Securities market or G-Sec market and corporate debt market. The latter is further classified as market for PSU bonds and private sector bonds.

The Government Securities market is the oldest and the largest component of the Indian debt market in terms of market capitalization, outstanding securities and trading volumes. The G-Sec market plays a vital role in the Indian economy as it provides the benchmark for determining the level of interest rates in the country through the yields on the Government Securities which are referred to as the risk-free rate of return in any economy. Over the years, there have been new products introduced by the RBI like zero coupon bonds, floating rate bonds, inflation indexed bonds, etc. The corporate bond market, in the sense of private corporate sector raising debt through public issuance in capital market, is only an insignificant part of the Indian Debt Market. A large part of the issuance in the non-Government debt market is currently on private placement basis.

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), reverse repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporate), certificate of deposits (CDs, issued by banks) and Treasury Bills (issued by RBI) and similar securities. In a predominantly institutional market, the key money market players are banks, financial institutions, insurance companies, mutual funds, primary dealers and corporate. In money market, activity levels of the Government and non government debt vary from time to time.

Apart from these, there are some other options available for short tenure investments that include MIBOR linked debentures with periodic exit options and other such instruments. PSU / DFI / Corporate paper with a residual maturity of less than 1 year are actively traded and offer a viable investment option.

Following table exhibits various debt instruments along with current yields as on September 30, 2026-

Instrument	**Yield Range (% per annum)**
TREPS	4.85-5.38
CROMS	4.00-5.30
91 days T-Bill	5.42 - 5.52
182 Days T-Bill	5.88 - 5.98
364 days T-Bill	6.10 - 6.20
1 month CD	5.75 - 5.95
3 month CD	6.30 - 6.40
6 month CD	6.70 - 6.90
1 year CD	7.40 - 7.60
1 month CP	6.60 - 6.80
3 month CP	7.00 - 7.20
6 month CP	7.30 - 7.50
1 year CP	7.70 - 7.90
3 year Corporate Bond – AAA Rated	7.60 - 7.90

5 year Corporate Bond – AAA Rated	7.70 - 7.90
5 year G-sec*	6.90 - 7.05
10 year G-sec*	7.25 - 7.40

*Gsec yield are annualized

(Source: Bloomberg and NDS OM)

These yields are indicative and do not indicate yields that may be obtained in future as interest rates keep changing consequent to changes in macro economic conditions and RBI policy. The price and yield on various debt instruments fluctuate from time to time depending upon the macro economic situation, inflation rate, overall liquidity position, foreign exchange scenario etc. Also, the price and yield vary according to maturity profile, credit risk etc.

B. What are the investment restrictions?

The following investment limitations and other restrictions, inter-alia, as contained in the Regulations and Master circular shall apply to the Scheme:

1. The Scheme shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities;
   Provided that the Scheme may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI;
   Provided further that the Scheme may enter into derivatives transactions in a recognised stock exchange, subject to the framework specified by SEBI;
   Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.

2. The Mutual Fund shall, get the securities purchased or transferred in the name of the mutual fund on account of the concerned scheme, except in respect of such securities as may be specified by SEBI.

3. No investment shall be made in any Fund of Funds scheme.

4. The mutual fund shall not advance any loans for any purpose.

5. All the Scheme's investments will be in transferable securities or bank deposits or in money at call or any such facility provided by RBI in lieu of call.

6. The mutual fund may lend and borrow securities in accordance with the framework relating to short selling and securities lending and borrowing specified by the Board

7. Debentures, irrespective of any residual maturity period (above or below one year), shall attract the investment restrictions as applicable to debt instruments under clause 1 and 1 A of the VII Schedule to the regulations.

8. The Scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the SEBI Act. Such investment limit may be extended to 12% of the NAV of the Scheme with the prior approval of the Boards of the Trustee Company and the AMC;
   Further, in accordance with clause 12.8 of SEBI Master Circular, within the limits specified above, following prudential limits shall be followed for the scheme:

The scheme shall not invest more than:

10% of its NAV in debt and money market securities rated AAA; or
8% of its NAV in debt and money market securities rated AA; or
6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit specified in Master Circular.

Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and Tri-Party repos on government securities or treasury bills;

Provided further that investment within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with SEBI. As per para 13.1 of SEBI Master Circular, with respect to investment in securitized debt (mortgage backed securities / asset backed securities), restrictions at the originator level will not be applicable.

9. The Scheme shall not invest in unlisted debt instruments including commercial papers (CPs), other than (a) government securities, (b) other money market instruments and (c) derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used by mutual funds for hedging.

   However, Scheme may invest in unlisted Non-Convertible Debentures (NCDs) not exceeding 10% of the debt portfolio of the Scheme subject to the condition that such unlisted NCDs have a simple structure (i.e. with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly basis.
   For the purpose of investment in debt instruments, listed debt instruments shall include listed and to be listed debt instruments.

10. The gross exposure of any mutual fund scheme to repo transactions in corporate debt securities shall not be more than 10 % of the net assets of the concerned scheme

11. All investments by the Scheme in Commercial Papers (CPs) would be made only in CPs which are listed or to be listed.

12. Investment in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps, Interest Rate Futures, etc by the Scheme shall be subject to the following:

    a. Investments shall only be made in such instruments, including bills re-discounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in SEBI (MF) Regulations and various circulars issued thereunder.
    b.Exposure of the Scheme in such instruments, shall not exceed 5% of the net assets of the Scheme.
    c.All such investments shall be made with the prior approval of the Board of AMC and the Board of Trustees.
    d.The single issuer limit and the group exposure limit shall be calculated at the issuing bank level as Bill Rediscounting Schemes (BRDS) are issued with recourse to the issuing bank.
    e.Investment in BRDS by debt schemes of mutual funds shall be considered as exposure to financial services sector for the purpose of sector exposure limits.

13. A scheme may invest in another scheme under the same mutual fund or any other mutual fund without charging any fees and such inter scheme investment shall be subject to limits as may be specified by SEBI from time to time. This clause shall not apply to any fund of fund schemes.

14. Transfer of securities from one scheme to another scheme in the same Mutual Fund is permitted provided:
    a.such transfers are done at the prevailing market price for quoted instruments on spot basis ("spot basis" shall have the same meaning as specified by stock exchange for spot transactions) and in line provisions of clause 10.13 of SEBI Master Circular and as may be specified by SEBI from time to time, in this regard; and
    b.the securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.
    c.the same are in line with clause 13.19 of SEBI Master Circular.

15. The Scheme shall not make any investment in
    a.any unlisted security of an associate or group company of the sponsor; or
    b.any security issued by way of private placement by an associate or group company of the sponsor; or
    c.the listed securities of group companies of the sponsor which is in excess of 25% of the net assets.

16. The Mutual Fund shall not borrow except to meet temporary liquidity needs of the Scheme for the purpose of repurchase/redemption of Unit or payment of interest or IDCW Option to the Unit holder or for settlement of trades by equity oriented index funds and equity oriented exchange traded funds on account of under execution of sell trades on the stock exchange in the manner as may be specified by the board from time to time. The borrowing specified above shall be subject to –
    (a) such borrowing not exceeding 20% of the net assets of the scheme; and
    (b) duration of such borrowing not exceeding a period of six months.

    The limit specified at clause (a) shall not be applicable for intraday borrowing subject to such conditions as may be specified by the board.

17. The Scheme will comply with provisions specified in Clause 13.18 of the SEBI Master Circular related to overall exposure limits applicable for derivative transactions as stated below:

    a. The cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives), repo transactions, other permitted securities/assets and such other securities/assets as may be permitted by the Board from time to time shall not exceed 100% of the net assets of the scheme.

    b.Mutual Funds shall not write options or purchase instruments with embedded written options in goods or on commodity futures
    c.The total exposure related to option premium paid and received must not exceed 20% of the net assets of the Scheme.
    d.Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure and shall be exempted from gross exposure limit.
    e.Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:
    i.Hedging positions are the derivative positions that reduce possible losses on an existing position in securities till the existing position remains. Hedging position cannot be taken for existing derivative positions.
    ii.Any derivative instrument used to hedge the underlying security as the existing position being hedged.
    iii.The quantity of underlying associated with the derivative position taken for hedging purpose does not exceed the quantity of the existing position against which hedge has been taken.

    f.Mutual Funds may enter into plain vanilla interest rate swaps for hedging purposes. The counterparty in such transactions has to be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the Scheme. Exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the Scheme.

g.Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in point a) above.

18. The exposure in a particular sector (excluding investments in Bank CDs, TREPS, G-Secs, T-Bills and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) under the portfolio will not exceed 20% of the net assets on account of purchase.
An additional exposure to financial services sector (over and above the limit of 20%) not exceeding 10% of the net assets of the scheme shall be allowed by way of increase in exposure to Housing Finance Companies (HFCs) only. Further, an additional exposure of 5% of the net assets of the Scheme has been allowed for investments in securitized debt instruments based on retail housing load portfolio and / or affordable housing loan portfolio. Provided that the additional exposure to such securities issued by HFCs are rated AA and above and these HFCs are registered with National Housing Bank (NHB) and the total investment/ exposure in HFCs shall not exceed 20% of the net assets of the scheme on account of purchase.

19. The total exposure of debt and liquid schemes in a group (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the scheme. Such investment limit may be extended to 25% of the net assets of the scheme with the prior approval of the Board of the Trustee Company. However, investment by debt mutual fund schemes in debt and money market instruments of group companies of both the sponsor and asset management company shall not exceed 10% of the net assets of the Scheme. Such investment limit may be extended to 15% of the net assets of the Scheme with the prior approval of the Board of Trustees. For this purpose, a group means a group as defined in clause (b) of the explanation to section 5 of the Competition Act, 2002 (12 of 2003) and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.

The Scheme will comply with the other Regulations applicable to the investments of Mutual Funds from time to time.
Apart from the Investment Restrictions prescribed under the Regulations, the internal risk parameters for limiting exposure to a particular scrip or sector etc may be prescribed from time to time to respond to the dynamic market conditions and market opportunities.
The AMC/Trustee may alter these investment restrictions from time to time to the extent SEBI regulations/applicable rules change/permit so as to achieve the investment objective of the scheme. Such alterations will be made in conformity with SEBI regulations.
The investment restrictions specified shall be applicable at the time of making the investment and it is clarified that changes need not be effected, merely by reason of appreciation or depreciation in value. In case the limits are exceeded due to reasons beyond the control of the AMC (such as receipt of any corporate or capital benefits or amalgamations), the AMC shall adopt necessary measures of prudence to reset the situation having regard to the interest of the investors.

C. Fundamental Attributes

Following are the Fundamental Attributes of the scheme, in terms of Clause 1.9 of SEBI Master Circular for Mutual Funds

(i) Type of a scheme
An open ended liquid scheme. A relatively low interest rate risk and moderate credit risk

(ii) Investment Objective:
Main Objective :Please refer to Part I. V ie “Investment Objective” mentioned under **“Highlights/Summary of the Scheme”**.

Investment pattern –
The details of Investment Pattern are mentioned in part II "Other Information" under Para A "How will the Scheme Allocate its Assets"

(iii) Terms of Issue:

- Liquidity provisions such as listing, Repurchase, Redemption - Refer Section I, Part I & Section II, Sub Section II, Point no. D
- Aggregate fees and expenses charged to the scheme - Refer Section I, Part III, Point no. C – Annual Scheme Recurring Expense
- Any safety net or guarantee provided: There is no assurance or guarantee that the investment objective of the scheme will be realized.

In accordance with Regulation 22(9)(c) of the SEBI (MF) Regulations and Clause 1.9 of the SEBI Master Circular, the AMC s ensure that no change in the fundamental attributes of the Scheme and the Plan(s)/Option(s) thereunder or the trust or the fees expenses payable or any other change which would modify the Scheme and the Plan(s)/Option(s) thereunder and affect the intere the unit holders is carried out, unless:

a.written communication (including digital modes such as email/sms etc. about the proposed change is sent to each unit holder;
b. details, as specified by the Board, are appropriately displayed on the website of asset management company; and
c. unit holders are given an option to exit at the prevailing Net Asset Value without any exit load.

D. **Index methodology (for index funds, ETFs and FOFs having one underlying domestic ETF**)- Not Applicable

E. **Principles of incentive structure for market makers** – Not Applicable

F. **Floors and ceiling within a range of 5% of the intended allocation against each sub class of asset, as per clause 14.5 of SEBI master circular for mutual funds dated March 20, 2026 (only for close ended debt schemes)** – Not Applicable

G. Other Scheme Specific Disclosures:

Listing and transfer of units	Since units of the Scheme will be offered for subscription and redemption at NAV based prices on all Business Days on an ongoing basis providing the required liquidity to investors, units of the Scheme are not proposed to be listed on any stock exchange. However, the Trustee reserves the right to list the units of the Scheme on any stock exchange(s) at its sole discretion at a later date.
Dematerialization of units	The Unit holders are given an Option to hold the units in Physical form (by way of an Account Statement) or Dematerialized ('Demat') form. The Applicants intending to hold the Units in dematerialised mode will be required to have a beneficiary account with a DP of the NSDL/CDSL and will be required to mention the DP's Name, DP ID No. and Beneficiary Account No. with the DP

	in the application form at the time of subscription/ additional purchase of the Units of the scheme. Further, investors also have an option to convert their physical holdings into the dematerialised mode at a later date. Each Option held in the dematerialised form shall be identified on the basis of an International Securities Identification Number (ISIN) allotted by National Securities Depositories Limited (NSDL) and Central Depository Services Limited (CDSL). The ISIN No. details of the respective option can be obtained from your Depository Participant (DP) or you can access the website link www.nsdl.co.in or www.cdslindia.com. The holding of units in the dematerialized mode would be subject to the guidelines/ procedural requirements as laid by the Depositories viz. NSDL/CDSL from time to time. Such units held in demat form shall be fully transferable.
Minimum Target amount (This is the minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return.)	The Scheme had collected the minimum target amount during the NFO
Maximum Amount to be raised (if any)	The Scheme is in existence and the said clause is not applicable
Dividend Policy (IDCW)	The Trustee will endeavour to declare IDCW under the IDCW Option as per the specified frequencies, subject to availability of distributable surplus calculated in accordance with the Regulations. The AMC/Trustee reserves the right to change the frequency of declaration of IDCW or may provide for additional frequencies for declaration of IDCW. IDCW Declaration Procedure:- **IDCW Distribution Procedure:** Pursuant to paragraph 12.5 of SEBI Master Circular for Mutual Fund the procedure for IDCW distribution will be as follows: 1. Quantum of IDCW and record date shall be fixed by the Board of Trustees. IDCW so decided shall be paid, subject to availability of distributable surplus as on the date of declaration of IDCW. 2. Within 1 calendar day of the decision by the Board of Trustees, the AMC shall issue notice to the public communicating the decision about the IDCW including the record date, in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where Head Office of the Mutual Fund is situated. 3. Record date shall be the date, which will be considered for the purpose of determining the eligibility of investors whose name

	appear on the register of unit holders for receiving IDCWs. The Record Date will be two working days from the date of issue of notice. 4. The NAV will be adjusted to the extent of IDCW distribution and statutory levy, if any at the close of business hours on record date. 5. Before the issue of such notice, no communication indicating the probable date of IDCW declaration in any manner whatsoever will be issued by the Mutual Fund. 6. The payment of dividend to the unitholders shall be made within seven working days from the record date. However, please note that in case of IDCW option/s where the frequency of IDCW declaration is up to and including Monthly basis, the requirement of issuing a notice, as mentioned above communicating the decision of declaring IDCW including the record date, is not mandatory. Accordingly, no notice as mentioned above will be published by AMC in case of IDCW declared under the Scheme under IDCW option where the frequency of IDCW declaration is up to and including Monthly basis. Even though the asset portfolio will be common, the NAVs of the growth option and IDCW option in the Scheme will be distinctly different after declaration of the first IDCW to the extent of distributed income, applicable tax and statutory levy, if any, and expenses relating to the distribution of the IDCWs. All the IDCW declaration and payments shall be in accordance and in compliance with SEBI regulations, as amended from time to time.
Allotment (Detailed procedure)	Investors may apply for Units by filling up an Application Form. All valid and complete applications will be allotted Units at the Applicable NAV for the application amount.
Refund	The Scheme is in existence and the process of refund was followed during NFO
Who can invest This is an indicative list and investors shall consult their financial advisor to ascertain whether the scheme is suitable to their risk profile.	The following persons are eligible to apply for subscription to the units of the Scheme (subject to, wherever relevant, subscription to units of the Scheme being permitted under the respective constitutions and relevant statutory regulations): 1. Indian resident adult individuals either singly or jointly (not exceeding three) or on an Anyone or Survivor basis; 2. Hindu Undivided Family (HUF) through Karta of the HUF; 3. Minor through parent/ legal guardian; 4. Partnership Firms and Limited Liability Partnerships (LLPs); 5. Proprietorship in the name of the sole proprietor; 6. Companies, Bodies Corporate, Public Sector Undertakings (PSUs), Association of Persons (AOP) or Bodies of Individuals (BOI) and societies registered under the Societies Registration Act, 1860;

	7. Banks (including Co-operative Banks and Regional Rural Banks) and Financial Institutions; 8. Mutual Funds registered with SEBI; 9. Religious and Charitable Trusts, Wakfs or endowments of private trusts (subject to receipt of necessary approvals as required) and private trusts authorised to invest in mutual fund schemes under their trust deeds; 10. Non-Resident Indians (NRIs)/ Persons of Indian origin (PIOs) residing abroad on repatriation basis or on non-repatriation basis; 11. Foreign Institutional Investors (FIIs) and their subaccounts registered with SEBI on repatriation basis; 12. Army, Air Force, Navy and other para-military units and bodies created by such institutions; 13. Scientific and Industrial Research Organizations; 14. Multilateral Funding Agencies/ Bodies Corporate incorporated outside India with the permission of Government of India/ RBI; 15. Provident Funds, Pension Funds, Gratuity Funds and Superannuation Funds to the extent they are permitted; 16. Other schemes of Groww Mutual Fund subject to the conditions and limits prescribed by SEBI (MF) Regulations; 17. Trustee, AMC or Sponsor or their associates may subscribe to units under the Scheme; 18. Qualified Foreign Investors 19. Such other individuals/institutions/ body corporates etc., as may be decided by the AMC from time to time, so long as, wherever applicable, subject to their respective constitutions and relevant statutory regulations. The list given above is indicative and the applicable laws, if any, as amended from time to time shall supersede the list. Note: 1. Non Resident Indians (NRIs) and Persons of Indian Origin (PIOs) residing abroad/ Foreign Institutional Investors (FIIs) have been granted a general permission by Reserve Bank of India under Schedule 5 of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000 for investing in/ redeeming units of the mutual funds subject to conditions set out in the aforesaid regulations. 2. It is expressly understood that at the time of investment, the investor/unitholder has the express authority to invest in units of the Scheme and the AMC/ Trustee/ Mutual Fund will not be responsible if such investment is ultravires the relevant constitution. Subject to the Regulations, the Trustee may reject any application received in case the application is found invalid/ incomplete or for any other reason in the Trustee's sole discretion. 3. Dishonoured cheques are liable not to be presented again for collection, and the accompanying application forms are liable to be rejected.

	4. The Trustee, reserves the right to recover from an investor any loss caused to the Scheme on account of dishonour of cheques issued by the investor for purchase of Units of this Scheme. 5. For subscription in the Scheme, it is mandatory for investors to make certain disclosures like bank details etc. and provide certain documents like PAN copy etc. (for details please refer SAI) without which the application is liable to be rejected. 6. Subject to the SEBI (MF) Regulations, any application for units of this Scheme may be accepted or rejected in the sole and absolute discretion of the Trustee/AMC. The Trustee/AMC may inter-alia reject any application for the purchase of units if the application is invalid or incomplete or if the Trustee for any other reason does not believe that it would be in the best interest of the Scheme or its unitholders to accept such an application.
Who cannot invest	The following persons are not eligible to invest in the Scheme: • Any individual who is a foreign national or any other entity that is not an Indian resident under the Foreign Exchange Management Act, 1999 (FEMA Act) except where registered with SEBI as a FII or sub account of FII or otherwise explicitly permitted under FEMA Act/ by RBI/ by any other applicable authority or where they falls under the category of QFIs. • Pursuant to RBI A.P. (DIR Series) Circular No. 14 dated September 16, 2003, Overseas Corporate Bodies (OCBs) cannot invest in Mutual Funds. • NRIs residing in Non-Compliant Countries and Territories (NCCTs) as determined by the Financial Action Task Force (FATF), from time to time. • Persons residing in countries which require licensing or registration of Indian Mutual Fund products before selling the same in its jurisdiction. Such other persons as may be specified by AMC from time to time.
How to Apply (Other details)	Application form and Key Information Memorandum may be obtained from the offices of AMC or Investor Services Centres (ISCs)/of the Registrar or distributors or downloaded from Investors are also advised to refer to SAI before submitting the application form. MFCentral has been designated as Official point of acceptance of Groww Mutual Fund for non-financial transactions. The same can be accessed using https://mfcentral.com/ Any registered user of MFCentral, requiring submission of physical document as per the requirements of MFCentral, may do so at any of the designated Investor Service Centres or collection centres of KFIN or CAMS. The list of the Investor Service Centres (ISCs)/ of the Mutual Fund will be available on the website https://www.growwmf.in/downloads/sid

	All cheques and drafts should be crossed "Account Payee Only" and drawn in favour the scheme name in which investment is intended to be made. The AMC/ Trustee reserves the right to reject any application inter alia in the absence of fulfillment of any regulatory requirements, fulfillment of any requirements as per the SID, incomplete/incorrect documentation and not furnishing necessary information to the satisfaction of the Mutual Fund/AMC. Please refer to the SAI and Application form for the instructions. Please visit https://www.growwmf.in/downloads/sid to know about the list of official points of acceptance. The name, address and contact no. of Registrar and Transfer Agent (R&T), email id of R&T, website address of R&T, official points of acceptance, etc. are mentioned at the end of the document. Please note that it is mandatory for the unitholders to provide the bank account details in their application/redemption requests as per SEBI guidelines.
The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	Not Applicable Units once redeemed will not be reissued
Restrictions, if any, on the right to freely retain or dispose of units being offered.	The Mutual Fund will be repurchasing (subject to completion of lock-in period, if any) and issuing units of the Scheme on an ongoing basis and hence the transfer facility is found redundant. Any addition / deletion of name from the folio of the Unit holder is deemed as transfer of Units. In view of the same, additions / deletions of names will not be allowed under any folio of the Scheme. The said provisions in respect of deletion of names will not be applicable in case of death of a Unit holder (in respect of joint holdings) as this is treated as transmission (transfer of units by operation of law) of Units and not transfer. Units of the Scheme held in demat form shall be freely transferable (subject to lock-in period, if any) and will be subject to transmission facility in accordance with the provisions of the SEBI (Depositories and Participants) Regulations, 2020 as amended from time to time. Also, when a person becomes a holder of the units by operation of law or upon enforcement of pledge, then the AMC shall, subject to production/submission of such satisfactory evidence, which in its opinion is sufficient, effect the transfer, if the intended transferee is otherwise eligible to hold the units. Please refer to paragraphs on Transfer and Transmission of units', Right to limit Redemption', Suspension of Purchase and / or

	Redemption of Units and Pledge of Units' in the SAI for further details.
Cut off timing for subscriptions/ redemptions/ switches This is the time before which your application (complete in all respects) should reach the official points of acceptance.	The below cut-off timings and applicability of NAV shall be applicable in respect of valid applications received at the Official Point(s) of Acceptance on a Business Day: **For Purchase of any amount:** • Valid Applications received at the designated official point of acceptance up to cut-off time of 1:30 p.m. and the entire subscription amount credited to bank account of respective Liquid scheme before the cutoff time of 1.30 p.m. i.e. the subscription amount shall be available for utilisation before cut-off time - The closing NAV of the day immediately preceding the day of receipt of the application shall be applicable. • Valid Applications received at the designated official point of acceptance post cut-off time of 1:30 p.m. and the entire subscription amount credited to bank account of respective Liquid scheme on the day of receipt of application i.e. the subscription amount shall be available for utilisation on the same day as day of receipt of application - The closing NAV of the day immediately preceding the next business day shall be applicable. • Irrespective of the time of receipt of valid application at the designated official point of acceptance and the entire subscription amount is not credited to respective Liquid scheme account. i.e. the subscription amount is not available for utilisation before the cut-off time - The closing NAV of the day immediately preceding the day on which the funds are available for utilisation shall be applicable. **For Switch-ins of any amount:** • Application for switch-in is received before the applicable cut-off time i.e. 1:30 p.m. • Funds for the entire amount of subscription/purchase as per the switch-in request are credited to the bank account of the respective switch -in liquid scheme before 1:30 p.m. • The funds are available for ultilisation before 1:30 p.m, by the respective switch-in schemes. The Mutual Fund reserves right to change/modify any of the terms with respect to processing of transaction in line with guidelines issued by SEBI or AMFI from time to time. - "Switch Out" shall be treated as redemption application and accordingly, closing NAV of the day will be applicable based on the cut-off time for redemption followed for various type of schemes.

	- "Switch In" shall be treated as purchase application and accordingly for unit allotment, closing NAV of the day will be applicable on which the funds are available for utilization. **Redemptions including switch-outs:** Applicable NAV in respect of valid applications received up to 3:00 p.m., by the Mutual Fund, is a closing NAV of the day immediately preceding the next business day. In respect of valid applications received after 3:00 p.m. by the Mutual Fund, is closing NAV of the next business day. It may be noted that for all the valid requests for redemptions received after 3.00 p.m., the NAV applicability shall be same as for requests up to 3.00 p.m. on the next business day. **Technical issues when transactions are processed through online facilities/ electronic modes:** The time of transaction done through various online facilities / electronic modes offered by the AMC, for the purpose of determining the applicability of NAV, would be the time when the request for purchase / SIP/ sale / switch of units is received in the servers of AMC/RTA. In case of transactions through online facilities / electronic modes, there may be a time lag of few seconds or upto 1-7 banking days between the amount of subscription being debited to investor's bank account and the subsequent credit into the respective Scheme's bank account. This lag may impact the applicability of NAV for transactions where NAV is to be applied, based on actual realization of funds by the Scheme. Under no circumstances will Groww Asset Management Limited or its bankers or its service providers be liable for any lag / delay in realization of funds and consequent pricing of units. The AMC has the right to amend cut off timings subject to SEBI (MF) Regulations for the smooth and efficient functioning of the Scheme. Representation of SIP transaction which have failed due to technical reasons will also follow same rule.
Minimum amount for purchase/redemption/switches	Ongoing: Rs.500 and in multiples of Re. 1 Switch-in amount: Rs.500 and in multiples of Re.1. The minimum subscription limits for new purchases/additional purchases will apply to each Option separately. **Minimum Redemption Amount:** The minimum redemption amount shall be Rs. 500 and in multiples of Re. 1 In case, if the investor wants to submit redemption in units, the value should be equivalent to the minimum redemption amount specified above as on the applicable NAV date and the units should be in multiples of 0.001.

	In case the available balance in folio is less than the minimum redemption amount/units, then the investor can submit a request for "All units/Full redemption" of the amount / units available in folio. If the redemption is received in "Units" or "Amount" and reported Units/Amount are more than available units/amount in the folio then it will be considered as full unit/amount redemption. Please note this will not be applicable for units under pledge and demat folios. The AMC reserves the right to change the minimum amounts for various purchase / redemption/ switch. Such changes shall only be applicable to transactions on a prospective basis. Note: In accordance with the regulatory requirement, the minimum application amount and minimum redemption amount will not be applicable for investment made in schemes of the Fund in compliance with Clause 7.14 of SEBI Mutual Funds Master Circular dated March 20, 2026. .
Accounts Statements	The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 working days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form). A Consolidated Account Statement (CAS) detailing all the transactions across all mutual funds (including transaction charges paid to the distributor) and holding at the end of the month shall be sent to the Unit holders in whose folio(s) transaction(s) have taken place during the month. The monthly CAS will be dispatched to investors that have opted for delivery via electronic mode (e-CAS) within twelve (12) days from the month end and to investors that have opted for delivery via physical mode within fifteen (15) days from the month end. Half-yearly CAS shall be issued at the end of every six months (i.e. September/ March) to all investors providing the prescribed details across all schemes of mutual funds and securities held in dematerialized form across demat accounts, if applicable. The CAS will be dispatched to investors that have opted for e-CAS on or before the eighteenth (18th) day of April and October and to investors that have opted for delivery via physical mode by the twenty first (21st) day of April and October. For further details, refer SAI.

Dividend/ IDCW	The IDCW warrants shall be dispatched to the unit holders within 7 working days of the date of declaration of IDCW. In case of Unit Holder having a bank account with certain banks with which the Mutual Fund would have made arrangements from time to time, the IDCW proceeds shall be directly credited to their account. The IDCW will be paid by warrant and payments will be made in favor of the Unit holder (registered holder of the Units or, if there is more than one registered holder, only to the first registered holder) with bank account number furnished to the Mutual Fund (please note that it is mandatory for the Unit holders to provide the Bank account details as per the directives of SEBI). Further, the IDCW proceeds may be paid by way of ECS/EFT/NEFT/RTGS/any other manner through which the investor's bank account specified in the Registrar & Transfer Agent's records is credited with the IDCW proceeds as per the instructions of the Unit holders. In case the delay is beyond 7 working days, then the AMC shall pay interest @ 15% p.a. from the expiry of 7 working days till the date of dispatch of the warrant.
Redemption	The redemption or repurchase proceeds shall be dispatched to the unitholders within three working days from the date of redemption or repurchase. For list of exceptional circumstances refer para 15.3.3 of SEBI Master Circular for Mutual Funds.
Bank Mandate	In case of those unit holders, who hold units in demat form, the bank mandate available with the respective DP will be treated as the valid bank mandate for the purpose of payout at the time of redemption. In view of the above, Multiple Bank Mandate registration facilities with the AMC will not be applicable to Demat account holders.
Delay in payment of redemption / repurchase proceeds/dividend	The redemption or repurchase proceeds shall be dispatched to the unitholders within 3 working days from the date of redemption or repurchase. However, pursuant to Clause 15.1.3 of SEBI Master Circular, AMFI vide its communication no. AMFI/35P/MEM-COR/74/2022-23 dated January 16,2023 has provided certain exceptional circumstances wherein the additional timelines shall be applicable (please refer Statement of Additional Information "SAI" for further details.) The AMC shall be liable to pay interest to the Unit holders @ 15% p.a. or such other rate as may be prescribed by SEBI from time to time, in case the redemption / repurchase proceeds are not dispatched within 3 working days from the date of receipt of the valid redemption/repurchase application, complete in all respects.

	However, the AMC shall not be liable to pay any interest or compensation in case of any delay in processing the redemption application beyond 3 working days, in case of any deficiency in the redemption application or if the AMC/RTA is required to obtain from the Investor/Unit holders any additional details for verification of identity or bank details or such additional information under applicable regulations or as may be requested by a Regulatory Agency or any government authority, which may result in delay in processing the application.
Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	As per the Clause 15.5 of SEBI Master Circular, the unclaimed Redemption and dividend amounts shall be deployed by the Fund in call money market or money market instruments and in a separate plan of Liquid scheme / Money Market Mutual Fund scheme floated by Mutual Funds specifically for deployment of the unclaimed amounts. The investment management fee charged by the AMC for managing such unclaimed amounts shall not exceed 50 basis points. The AMCs shall not be permitted to charge any exit load in this plan. Provided that such schemes where the unclaimed redemption and IDCW amounts are deployed shall be only those Overnight scheme/ Liquid scheme / Money Market Mutual Fund schemes which are placed in A-1 cell (Relatively Low Interest Rate Risk and Relatively Low Credit Risk) of Potential Risk Class matrix. The investors who claim these amounts during a period of three years from the due date shall be paid at the prevailing NAV. After a period of three years, this amount can be transferred to a pool account and the investors can claim the said amounts at the NAV prevailing at the end of the third year. In terms of the circular, the onus is on the AMC to make a continuous effort to remind investors through letters to take their unclaimed amounts. The website of Groww Mutual Fund also provides information on the process of claiming the unclaimed amount and the necessary forms / documents required for the same. The details of such unclaimed amounts are also disclosed in the annual report sent to the Unit Holders. Important Note: All applicants must provide a bank name, bank account number, branch address, and account type in the Application Form.
Disclosure w.r.t investment by minors	As per paragraph 15.13 of SEBI Master circular for Mutual Funds, the following Process for Investments in the name of a Minor through a Guardian will be applicable: a. Payment for investment by any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian. For existing folios, the AMCs shall insist upon a Change of Pay-out Bank mandate before redemption is processed. b. Irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified bank account of the minor, i.e. the account the minor may hold with the parent/ legal guardian after completing all KYC formalities.

	c. Upon the minor attaining the status of major, the minor in whose name the investment was made, shall be required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new account. No further transactions shall be allowed till the status of the minor is changed to major. d. AMCs shall build a system control at the account set up stage of Systematic Investment Plan (SIP), Systematic Transfer Plan (STP) and Systematic Withdrawal Plan (SWP) on the basis of which, the standing instruction is suspended when the minor attains majority, till the status is changed to major. Please refer SAI for detailed process on investments made in the name of a Minor through a Guardian and Transmission of Units.

III. Other Details

A. In case of Fund of Funds Scheme, Details of Benchmark, Investment Objective, Investment Strategy, TER, AUM, Year wise performance, Top 10 Holding/ link to Top 10 holding of the underlying fund should be provided - NA

B. Periodic Disclosures such as Half yearly disclosures, half yearly results, annual report

Monthly Portfolio Disclosures This is a list of securities where the corpus of the Scheme is currently invested. The market value of these investments is also stated in portfolio disclosures.	The Mutual Fund shall disclose the scheme portfolios as on the last day of the month/ as on the last day of every half year ended March and September within 10 days from the close of each month . Further, the Mutual Fund shall also disclose portfolio of the scheme on a fortnightly basis within 5 days from the end of the fortnight. The disclosure shall be on https://growwmf.in/statutory-disclosure/portfolio (Fortnightly/Monthly), www.amfiindia.com. The AMC shall send via email the fortnightly statement of scheme portfolio within 5 days from the close of each fortnight and the monthly statement of scheme portfolio within 10 days from the close of each month. Mutual Fund shall publish an advertisement every half-year disclosing the hosting of the half-yearly statement of its schemes portfolio on its website and on the website of AMFI. Mutual Fund shall provide a physical copy of the statement of its scheme portfolio, without charging any cost, on specific request received from a unitholder
Half -Yearly Financial Results	The Mutual Fund and AMC shall within one month from the close of each half year i.e. 31st March and on 30th September, host a soft copy of its unaudited financial results on their website. It will also be displayed on the website of the AMC (https://www.growwmf.in/financials/half-yearly-unaudited) and AMFI (www.amfiindia.com).
Annual Report	The Scheme wise annual report or an abridged summary thereof shall be mailed (emailed, where e-mail id is provided unless otherwise required) to all Unit holders not later than four months (or such other period as may be specified by SEBI from time to time) from the date of closure of the relevant accounting year (i.e. 31st March each year) and full annual report shall be available for inspection at the Head Office of the Mutual Fund and a copy shall be made available to the Unit holders on request on payment of nominal fees, if any. Scheme wise annual report shall also be displayed on the website of the AMC (https://www.growwmf.in/financials/scheme-financials) and Association of Mutual Funds in India (www.amfiindia.com).

C. **Transparency/NAV Disclosure (Details with reference to information given in Section I)**

The AMC will calculate and disclose the NAVs for all Business Days. The Asset Management Company ("AMC") shall update the NAVs on the website of Association of Mutual Funds in India ("AMFI") (www.amfiindia.com) by 11.00 p.m. every Business Day. The NAV shall also be available on AMC website (https://www.growwmf.in/nav). If the

NAVs are not available before the commencement of business hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons and explaining when the Mutual Fund would be able to publish the NAV.

D. Transaction charges and stamp duty

Applicability of Stamp Duty : Pursuant to Notification No. S. O. 1226 (E) and G.S.R 226(E) dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of Notification dated February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India on the Finance Act, 2019, a stamp duty @ 0.005% of the transaction value shall be levied on applicable mutual fund transactions. Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchase transactions to the unitholders would be reduced to that extent. The stamp duty will be deducted from the net investment amount i.e. gross investment amount less any other deduction like transaction charge. Units will be created only for the balance amount i.e. Net Investment Amount as reduced by the stamp duty. The stamp duty will be computed at the rate of 0.005% on an inclusive method basis.

For details please refer SAI.

E. Associate Transactions- Please refer to Statement of Additional Information (SAI)

F. Taxation- For details on taxation please refer to the clause on Taxation in the SAI apart from the following:

This information is provided for general information only and is based on the prevailing tax laws, as applicable in case of this Scheme. However, in view of the individual nature of the implications, each investor is advised to consult his or her own tax advisors/ authorised dealers with respect to the specific amount of tax and other implications arising out of his or her participation in the schemes.

Groww Mutual Fund is registered as a Mutual Fund with Securities and Exchange Board of India ('SEBI') under SEBI (Mutual Fund) Regulations, 2026. Any income earned by such mutual fund registered with SEBI is exempt from taxation as per section 10(23D) of the Income Tax Act, 1961 ('Act')

Particulars	Resident Investors	Non-Resident Investors	Mutual Fund
Dividend -As per applicable slab/tax rates In specific case of non residents, investment made in foreign currency t 20% of theIncome-tax Act, ('the Act')]. For Foreign Portfolio investor ('FPI') -20% (as per the Act)			
Capital Gains
